Board Making Effort . . . Hill

League Satisfied

Just Wait Policy Observed By Group

Chairman of Randall County Taxpayers League this week said he is satisfied with the way the Canyon School District board of equalization is trying to meet the terms of a 47th District court order.

Chairman Victor Hill said his group will "just wait and see how things come out."

He said Hosea Foster, chairman of the equalization board, still must report to 47th District Court Judge Gene Jordan on how a court order handed down by Jordan has been fulfilled.

He indicated that the equalization board chairman still has several days in which to make the report.

"We're just going to wait and see how things come out," Hill declared.

"There is nothing in the court order demanding that the board

of equalization make any kind of report to Judge Jordan," said Elton Cox, attorney for Canyon School District.

School Tax Assessor-Collector Conway Kuykendall said the most recent sessions of the board of equalization came to a close at 3:35 o'clock last Friday afternoon. The sessions began Tuesday.

Kuykendall said the board worked in three night meetings holding until 11:30 p.m. two nights and until 9:30 one

(See WAIT Page 3)

Booster Club Memberships Are Sought

Memberships in the Canyon Booster Club are available, according to Johnny McBroom, president.

Dues are \$2 per person per year, he said.

The group meets each Tuesday at 8 p.m. in the Canyon High School cafeteria to view films of the previous Eagle games and to hear comments from Coach Jim Greenwood and members of his staff. The organization also reviews scout reports on upcoming Eagle clashes.

Refreshments are served following each meeting. Memberships may be obtained by contacting Mrs. Jack Swartzell, club treasurer.

Members of the varsity and 'B' team and their parents, and Eagle coaches and their wives were guests at Tuesday's meeting of the Booster Club.

ASC Ballots Are Mailed

Election ballots for positions on seven Agriculture Stabilization Conservation community committees have been mailed to local farmers, according to Donald Lloyd, ASC manager here.

The 56-man ballots, which must be returned by Sept. 20 to the ASC office here, are for farmers and their wives who must vote for five or less candidates in their respective communities.

The nominee who gets the most votes will be the chairman of his respective com-

(See BALLOTS Page 8)

RCSP Horse Show Slated Sunday

The second annual Quarter-horse Show sponsored by the Randall County Sheriff's Posse will be held Sunday at the RCSP arena, east of Canyon.

Approved by the American Quarter Horse Association, the show will begin at 10 a.m. with the cutting contest for junior and senior divisions and

the roping contests.

In the halter classes, trophies will be awarded to grand champions, reserve champions and class winners. Ribbons will be presented to second through sixth places.

Included in the halter class division will be stallions from 1964-67, aged stallions 1963 or before, mares from 1964-67, aged mares 1963 or before, geldings 1964-66, aged geldings 1963 or before, and mare and foal.

Performance classes will include (See R.C.S.P. Page 3)

Induction Quota Set

State draft boards are scheduled to forward 4,000 young men for pre-induction mental and physical examinations in October, Colonel Morris S. Schwartz, state Selective Service director, announced this week.

This same number of young men are being forwarded for pre-induction examinations in September.

The state's 155 draft boards will be called upon to furnish (See INDUCTION Page 3)

Welcoming For WTSU Students

A 40' x 4' banner welcoming West Texas State University students to the campus has been erected by the Baptist Student Union organization.

The banner, reading "Welcome to WT from the BSU", hangs across 23rd St. in front of the WTSU entranceway. The banner was erected by a crew from Southwestern Public Service Company.

Canyon City Commissioners and the Texas Highway Department gave the BSU permission to hang the banner.

Schools Close For Fair Day

Classrooms will be closed Monday, September 18, for Tri-State Fair Day in Amarillo.

Students of the Canyon Independent School District and Umbarger School will be dismissed from classes for a "day at the fair". Classes will resume regular schedules on Tuesday.

Building Is Increasing

Building permits issued in Canyon for August were more than \$7,000 above figures for the same period last year.

E. A. Collier, city building inspector, said a total of \$142,300 in permits were issued this August compared to \$134,550 last year. There were six permits for residences this August and five at the same time last year.

Permits for August 1965 and 1964, respectively were \$108,200 and \$163,370.

University Moves Into New Offices

Executive offices at West Texas State University have been moved into a new \$3,000,000-plus administrative-classroom complex just north of the Education Building.

The move, which was completed last week, will give office space for about 50 chief

Encephalitis Case Reported

Mrs. J. D. Byrd of Canyon was taken to Neblett Memorial Hospital Saturday suffering from encephalitis. Mrs. Byrd's husband said her condition was "fine".

Dr. Robert Jarrett, Randall County health officer, and Dr. G. Mason Kahn, director of the Amarillo Bi-City-County Health unit, said they had received no reports of the mosquito-caused disease in Canyon this year.

One case of encephalitis was reported here last summer.

Nine Injured In Sunday Accident

A 56-year-old Canyon woman was in serious condition at Northwest Texas Hospital in Amarillo Wednesday following a two-car accident north of Canyon Sunday afternoon.

Mrs. Bertha Walsh Morris was rushed to the Amarillo hospital about 2 p.m. following the accident that injured nine people.

William Morris, 53, a passenger in the 1951 pickup truck his wife was driving, was listed Wednesday in good condition at Neblett Memorial Hospital here.

Other passengers in the pickup, Terry Houk, 9, and Jeffery Houk, 5, were treated and released.

Driver of the other vehicle, a 1964-model automobile, Kenneth Allen Dearman, 18, of 3506 East 13th St. in Amarillo, was treated and released, but his brother, Larry Keith, 15,

is in satisfactory condition at Northwest Texas Hospital.

Another passenger in the Dearman vehicle, Richard Irving Curtin, 18, of Amarillo, was also listed in serious condition.

Both Carla Dearman, 15, and Mickey Jones, 15, of 1708 S. Jackson in Amarillo, were treated and released.

Investigating Highway Patrolmen said both vehicles were traveling south on the Canyon Expressway when the Dearman

(See NINE Page 8)

Band Parents Meet Tuesday

Canyon Band Parents will meet Tuesday at 7 p.m. in the Canyon High School band hall for a business session and get-acquainted party.

Included on the program will be band recordings and films from last year. All parents of band students and others interested in school band activities are invited to attend the meeting, according to Dr. Roland Johnson, president.

Sidewalk Sale Set Downtown

A "sidewalk sale" is being sponsored Saturday by firms in the Downtown Merchants Association.

Shoppers will be able to win prizes today, Friday and Saturday by matching numbers posted in the participating stores with a lucky number that appears on page one of the third section in this week's edition of The Canyon News.

Several Canyon merchants are also sponsoring a drawing for a 1967 Ford Mustang automobile valued at \$2711.79. The car is on display at Jess Ford Company. No purchase is required. (See SIDEWALK Page 3)

SELECTING BOOKS for freshman classes at West Texas State University is Dorothy Marnell of Hereford. Attired in the traditional maroon-and-white beanie, Miss Marnell will begin classes with an estimated 7,000 students at West Texas State University on Monday. Registration is underway this week.

City Agrees To Help On Ambulance Service

City Commissioners agreed last week to bear 75 per cent of the cost for ambulance service in Canyon.

The move, which will cost the city \$562.50 monthly, was made after Jerry LaGrone, owner of an ambulance service and mortuary here, told commissioners he was losing an average of \$750 monthly on ambulance service.

LaGrone said he had talked individually with most of the Randall County commissioners, who indicated they would pay 25 per cent of ambulance service costs.

DA Office Move Set

Randall County Criminal District Attorney George Dowlen told commissioners court his office would be moved within the next few days to an area formerly occupied by the jury dormitory.

The dormitory was remodeled after commissioners court decided it is not being used enough to make maintaining it profitable.

The new facility will have offices for Dowlen, a secretary (See DA, Page 8)

LaGrone appeared before commissioners court Monday requesting that the county bear one fourth of the ambulance service cost. This would come to \$187.50 a month for the county's part.

Commissioners tabled the matter until all members of the court can be present. A

Band Parents Sell Calendar

Canyon Band Parents are sponsoring the Community Birthday Calendar project again this year, according to Dr. Roland Johnson, president.

Members of the group will contact local residents Sept. 18-27 on the sales campaign. Persons out of the city limits are urged to contact the schools to place orders.

Funds from the project will benefit all bands of the Canyon Independent School District including the sixth grade band, junior high band, and the high school band.

Listings will be \$1 for single persons; \$1.50 for married couple with anniversary and birthdays; and \$2.00 for families. (See CALENDARS Page 3)

full meeting of the court is not expected until Sept. 25. County Judge Lloyd King was on vacation Monday.

However, members of the court present appeared favorable to the LaGrone suggestion.

"I don't see any way you can go into it yourselves for the proposition we are offering you," LaGrone told city dads.

The mortician said his firm made about 82 per cent of its total calls within the city limits. Charges on about 60 per cent of calls, he continued, are not collected.

LaGrone said he collected a little more than \$3,000 for ambulance service calls last year. "I've paid city taxes for 13 years," he declared. "I pay from my inventory right off the

(See CITY Page 3)

Gibsons To Build Store In Canyon

Construction is slated to begin within the next few days on a new Gibson Discount Center in Canyon.

The new store will be located on US Highway 87 just north of the old RAR Homes building. Delmar Watkins and

Chester B. Thompson, both of Pampa, owners of the firm, said the building will have 20,000 square feet of floor space.

It will be constructed of building blocks, brick and glass. It will have a pharmacy, a health and beauty aid department, hardware and automotive, soft goods, houseware, toys, sporting goods and groceries, Watkins said.

Watkins said the store will open for business March 1, 1968. The firm will employ about 20 people. No store manager has yet been selected, he said.

There will be a three-acre parking lot to accommodate customers.

"We decided to come here because of the growth of the (See GIBSONS Page 3)

New Manager Begins Here

Paul I. Davis, formerly of Midwest City, Okla., officially took the reins Monday as City Manager for Canyon.

Davis, 27, who was assistant city manager at Midwest City, replaces Gary Gwyn who recently resigned to accept a similar position at Edinburg.

Davis is a native of Corpus Christi, where he attended W. B. Ray High School. He received a BA degree in government from Texas A&I University and completed post graduate work in public administration at North Texas State in Denton. He presently is working on his thesis.

He has worked with city governments in Alice and Midwest City.

His wife, Mary Ann, is a native of Alice. She received her BBA degree in business from Texas A&I.

The Davises will live at 110 Hillcrest Drive.

COVERING FUMBLES
By Don Mitchell Jones

Children get far more pleasure and more benefit out of playthings that they themselves make; but imagine your own grandchildren having to make their own toys!

DR. JAMES P. CORNETTE, president of West Texas State University, checks with Bettie Hunter, information receptionist, in the foyer of the newly opened Administration Building

at West Texas State University. The new "Ad" is a part of a \$20-million building improvement program at the university which is forecasted to be completed by 1980.

FROM THE

CANYON RIM

By Tom Martin

Ben Barnes is almost a cinch to be a candidate for lieutenant governor if Connally decides to run for the top spot again.

Preston Smith is asking the voters of Texas to give him a promotion to governor. He's probably going to be pitted against Connally. Ralph Yarborough is likely to come home from the Senate and run against Smith and Connally.

I look for no serious competition for Barnes. He'll walk into the lieutenant governor's seat in a breeze. He is heir apparent to Connally.

Red Simpson has already said he will not seek re-election to the Texas House of Representatives in 1968.

Marion Bruce will have his hat in the ring for Simpson's job. Bruce is currently serving as Randall County Democratic chairman. He will, of course, run as a John Connally Democrat.

The Republicans have no one in sight at present for the job being vacated by Simpson. I predict the GOP will urge Randall County Commissioner Bill Butler to make the race.

Even though he is the only Republican member of commissioners court, Butler is popular with his colleagues and is influential in county government.

I have never discussed with Butler the possibility of him running for state office but I am of the opinion that he has no aspirations. I seriously doubt that he will run but I still predict that he will be asked.

I agree with the man who said a lot of television is a

waste land.

Kids watch Batman, Mr. Fantastic, the Lone Ranger, Cisco Kid and a lot of other video vagrants who have no visible means of support.

Sure, they flit around doing good for 30 minutes or an hour a week but I'd like to know how they make a living. None of them have ever been seen doing any work or getting paid for any services.

Paladin I can understand. He gets \$1,000 a job for bumping somebody off in Western fashion.

Arch Hunsley has given Canyon the finest golf course in the Panhandle. My knowledge of golf courses is limited but I'm inclined to think that the Hunsley Hills course may be developed into one of the better courses in the country.

Hunsley Hills is a beautiful housing development and now Arch is trying to bring a large apartment building onto property at the north end of 15th Street. If he is successful, the apartment building will mean a great deal to the community.

The Randall County Historical Society is in the process of trying to restore the old T-Anchor Ranch headquarters located on West Texas State University property just north of town.

It is the oldest surviving house in the Texas Panhandle. It was built in 1877 with cedar logs cut in Palo Duro Canyon.

The house was built by Leigh Dyer and it served as T-Anchor Ranch headquarters. It became the center of ranching in the area.

Mrs. Doris Martin, head of the historical survey committee, is concerned about the historic old house. She says several logs which have been attacked by termites must be replaced. She said more labor than money will be required to restore the 90 year old cabin.

It must have a fence around it to keep cattle out. Mrs. Martin points out that several windows have been broken and that some time in the past the floors were trampled out by cattle.

She said Lloyd Wimberley's Scout Troop 108 is going to work on the T-Anchor house restoration as a community project.

"We are taxed in our bread and our wine, in our income and our investments, on our land and on our property, not only for base creatures who do not deserve the name of men but for foreign nations, for complaisant nations who will bow to us and accept our largesse and promise to assist us in keeping of the peace--- these mendicant nations who will destroy us when we show a moment of weakness or our treasury is bare, and it surely is becoming bare.

"We are taxed to maintain legions on our soil, in the name of law and order and the Pax Romana, a document which will fall into the dust when it pleases our allies and our vassals. We keep them in precarious balance only with our gold.

"Is the heart of our nation worth these? Shall one Italian

be sacrificed for Britain, for Gaul, for Egypt, for India, even for Greece and a score of other nations? Were they bound to us with ties of love, they would not ask our gold. They take our very flesh and they hate and despise us. And who shall say we are worthy of more?"

All this was written by Marcus Tullius Cicero more than 2,000 years ago.

Miss Brazzil To Compete At Fair Bake-Off

Connie Brazzil will represent Randall County 4-H clubs at the Tri-State Fair's 4-H Bake Show competition in Amarillo next week.

Miss Brazzil, daughter of Mr. and Mrs. John Brazzil, will compete in the baking division. The contest is confined to pound cakes and yeast rolls.

A ninth grade student at Canyon Junior High School, Miss Brazzil will represent Randall County as a result of being named the county's 4-H Better Bake Show champion last May. Baking winners at the fair will be announced on Saturday, September 23.

Miss Brazzil has been active in 4-H for six years and currently serves as president of the County 4-H Council. She has won various awards in 4-H including a first place junior division in the dress revue of 1965, and again this year. She also earned a second place in district civil defense in 1964, a public speaking award in district competition in 1965 and has exhibited several years at the Junior Livestock Show, where she has had the grand champion in the sheep division for the past two years.

A merit honor roll student, Miss Brazzil is also interested in home economics and is an officer for the Canyon Junior High School chapter of the Future Homemakers of America.

PARENT VISITATION PERIODS have been scheduled at Rex Reeves Elementary Schools this month. Mrs. Mary Doss, left, discusses modern teaching procedures with Karen Wright. Mrs. Wright is a third grade teacher at Rex Reeves.

Parent Night Dates Slated

A list of parent visitation nights at Rex Reeves Elementary School have been scheduled, according to Oscar Hinger, principal.

Those scheduled dates at which times parents will meet with teachers include Sept. 25, 7:30 p.m., second grade; Sept. 26, 7:30 p.m., sixth grade; Sept. 27, 4 p.m., fourth grade; Sept. 28, 7:30 p.m., fifth grade; and Oct. 2, 7:30 p.m., first grade.

The first in a series of parents nights was conducted Tuesday.

Amarillo Man Is Arraigned

Warren William McClish, of 4314 Gables in Amarillo, was arraigned Monday by Randall County Justice of the Peace W. A. (Bill) Wilson on a charge of burglary.

McClish, 25, waived his rights of counsel and examining trial. Bond was set at \$2,000.

McClish is being held in Randall County jail in lieu of bond.

According to Arthur Fields, detective with the Amarillo Police Department, McClish was apprehended by APD Patrolman Ronnie Luetkahans inside the Piggly Wiggly Super Market at 3339 Bell Avenue shortly after midnight Sunday.

Letter To The Editor

1 Sept. 67

Dear Folks:

I'm writing to thank you for sending me The Canyon News. I'm not an original resident of Canyon but from '62 to '66 I lived in Canyon, attended WTSU, and worked for Ray Cole & Claude Moore. Knowing most of the residents and having done business with some I really enjoy reading and learning what is happening in what I now call home.

Canyon sure has prospered and grown since I left in '66.

Mr. and Mrs. G. H. Pritchard have returned from San Antonio where they visited with their daughter, Mrs. Orville Turner, and family.

City . . .

(Continued from Page 1)
books. We're all neighbors."
"It looks like this is the
cheapest way out for the city,"
said Mayor pro-tem H. R. Ful-
ton, Jr.
LaGrone said he was charg-
ing \$10 per call within the city
limits. A flat rate of \$10
plus 35 cents per mile is
charged for calls outside Can-
yon.

The contract city dads sign
with LaGrone will be void should
another ambulance service
come to Canyon.

In other business, commis-
sioners heard a request from
J. W. Kleinschmidt that the city
and county purchase the old
American Legion building for
use as a public library.
Kleinschmidt said the prop-
erty, located in the 300 block

of 16th St., was paid for and
that several dollars had been
spent for cooking and heating
facilities.

"We need a library in this
town—I'm sure you will agree,"
Kleinschmidt stated.

He said the building had been
appraised at from \$28,000 to
\$30,000, but that the American
Legion would cut the cost in
half if the property were to be
used as a library.

Kleinschmidt said the build-
ing, constructed in 1923, had
been used by the national guard
and many civic organizations
for years.

"I'd be the first to say that
we need a library," said Mayor
Paul Lindsey, "but I seriously
doubt that this is the
answer."

The mayor said he would
prefer to wait a few years,
"and try to get something we
can be proud of 20 years later."

Commissioners voted to
transfer \$20,000 from the water
department fund to the general
fund. The move is necessary
to meet current expenditures
until 1967 tax money is avail-
able in October.

Additions and deletions were
approved for the 1967 tax roll.
Most of the changes, which
are common at this time of the
tax year, were for personal
property.

Commissioners reviewed
specifications for a 1968-model
automobile to be used by the
police department.

Bids on the auto will be
opened Oct. 2 at a regular
commission meeting in the City
Hall annex.

Resignations of Alan Ratliff,
tax assessor-collector, and A.
W. Lair, city attorney, were
accepted.

Ratliff is presently a cost
analyst for Collins Radio in
Richardson. No replacement
was named.

Elton Cox, Canyon lawyer,
was appointed as city attorney.
He will be paid a retainer fee
of \$150 monthly.

The Downtown Merchants
Association was given permis-
sion to conduct a sidewalk sale
here Sept. 15-16.

Paul I. Davis of Midwest
City, Okla., was officially
employed as city manager. Davis
replaces Gary Gwyn who re-
cently resigned to accept a

city and the university and be-
cause of the potential growth
of both," said Thompson.

Watkins is 37 years old and
has had partial ownership in
Gibson Discount Centers in
Hereford and Borger. He is
owner of Gibson Discount Cen-
ter in Pampa.

Watkins is president of Del-
mar Watkins Properties, Inc.,
Sandra Wholesale Co., Gibson
Products of Hereford and Gib-
son Products of Borger, Mur-
daugh and Watkins Cattle Co.,
and W&T Properties, Inc.

He was born in Canadian,
Okla., and attended both ele-
mentary and high school there.
He was graduated from Cana-

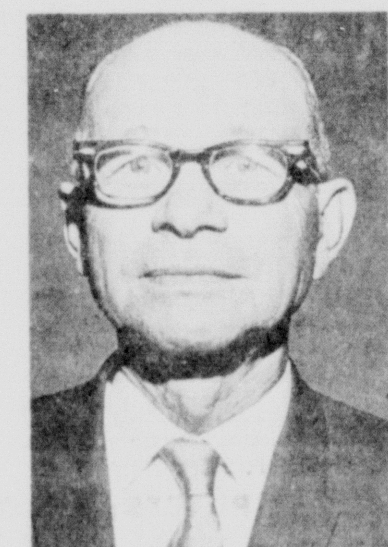

DELMAR WATKINS
dian High School in 1948.

After four years in the US
Air Force, Watkins attended
Oklahoma State and North Texas
Universities. He majored in
business administration and
minored in accounting.

In 1956, Watkins went to work
for National Cash Register Co.,
working in the Dallas and Ama-
rillo offices for seven years.

In 1963, he opened his first

CHESTER THOMPSON

Gibson Discount Center in Pampa.
It was Store No. 79 for the
chain which now has 312
stores bearing the name. He
has been associated with Gib-
son's as one of the chain's
franchise owners since that
time.

"If tight money doesn't get
too bad we will continue to grow
with the Gibson organization by
opening additional units as fi-
nancial backing permits," Wat-
kins declared.

Watkins and his wife, Sandra,
have two sons, Joe, 10, and
Mike, 6.

Thompson, a long time Pampa
pharmacist, is a co-owner
with Watkins of the new Gib-
son Discount Center to be open-
ed in Canyon.

Thompson also owns an in-
terest in the Hereford and Bor-
ger stores.

A native of Oklahoma,
Thompson has been a phar-
macist in Pampa since 1927. He

owned and operated Gibson Dis-
count Pharmacy in Pampa, part
of the Gibson Discount Center
owned by Watkins, until 1965
when it was sold to pharma-
cists Dean Copeland and Gene
Sions.

Sions and Copeland will lease
the new prescription depart-
ment at the Canyon Gibson
Store.

Thompson and his wife are
parents of two children who
now attend Texas Technological
College in Lubbock.

birthday, will begin at 1 p.m.
Horses exhibited in the youth
division must be owned by the
contestant, his parent or guard-
ian, according to AQHA rules.

The AQHA All Around Tro-
phy will be awarded to the high
point youth exhibitor and tro-
phies to class winners and rib-
bons to second through sixth
places will be awarded.

Events in the Youth Activities
division will include perfor-
mance classes for western
pleasure, reining, pole bending,
barrel racing and showmanship.

Leon Cox is serving as show
manager for the RCSP.

Judges will be Dick Robey
of Edmond, Oklahoma and Ralph
Guest of Vega will judge the
youth activities.

A concession booth will be
open throughout the day's ac-
tivities.

Various Canyon and Amarillo
merchants are serving as show
class sponsors.

Calendars .

(Continued from Page 1)

which includes birthdays, anni-
versary, and children's birth-
dates.

Additional copies of the birth-
day calendar may be ordered
at 50 cents each, according
to Johnson.

In addition, the calendar will
also contain listings of club
meetings for various civic
groups. Flag symbols will be
printed by listings of persons
in the armed forces.

Serving as captains for the
sale will be Mr. and Mrs.
John Green, Mr. and Mrs. Bar-
ney Barnard, Mr. and Mrs.
Glynn Burrell, Mr. and Mrs.
Gary Zook, Mr. and Mrs. Edra
Hudson and Mr. and Mrs. Rol-
and Johnson.

TROPHIES FOR THE SECOND Annual Quarterhorse show to be
held Sunday under sponsorship of the Randall County Sheriff's
Posse are displayed by R. B. Allen, left, who holds the trophy
for the youth activities champion and Blaine Hufnagle, RCSP
president, holding the trophy for the all-around champion.
Grand champion trophies are displayed on the foreground table.

University . . .

(Continued from Page 1)

made the low bid of \$2,654,900
last October. Architects for
the project are Hucker and
Parge, also of Amarillo.

A total of \$1,970,000 in WTSU
bonds were purchased last fall
by the First National Bank of
New York and Associates.

The building contains 81 of-
fices, 73 classrooms and 40
additional offices for graduate
assistants.

The new building is located
north of the old Administration-
Education Building area and is
on the south end of a six-block
area in the center of the campus
formerly occupied by the
football field.

Henson said the three other
buildings planned for the future
would possibly be multi-storied
and would house other class-
room and dormitory facilities.

Henson said all of the build-
ings, included the first phase,
are being stressed for the ad-
dition of extra stories if they
are needed in future years.

The new building is air con-

ditioned and all of the class-
rooms are to be wired for
closed circuit television, Hen-
son added. The classroom por-
tion will have an elevator as
well as stairways.

More than 4,450 students can
be seated in the classroom
portion.

The new complex is phase
one of a planned \$20-million
building program for the uni-
versity that is expected to be
completed by 1980.

Induction . . . Wait . . .

(Continued from Page 1)

977 men for induction in Octo-
ber.

This compares with quotas
of 1,180 for September, 1,421
for August, 974 for July, 975
for June, and 885 for May.

Local board quotas for in-
duction and pre-induction ex-
amination in October already
have been figured and sent to
the state's 155 draft boards.

The Texas quota of 977 for
October is the state's share of
a national call of 17,000, all
for the army.

Draft board for Randall
County is Local 18 serving
Deaf Smith, Parmer, Castro and
Randall Counties. Quota for Lo-
cal 18 for October is 25 for
physical examinations and 7
for induction.

Quota for September was 15
for physicals and 4 for induc-
tion.

(Continued from Page 1)

During the meetings, 56 per-
sons testified under oath before
the board.

Kuykendall said some 26 tax-
payers settled their differences
with the taxing unit by talking
to Jim McMorries before
reaching the board. McMor-
ries is head of McMorries and
Company, an Amarillo firm
which was employed by the
school board to reevaluate
property in the school district
for taxing purposes.

Testimony before the board
of equalization was recorded
by a court reporter. A sec-
retary recorded the proceed-
ings in shorthand for the board
of equalization.

Judge Jordan granted a tem-
porary restraining order Aug.
18 which halted an earlier meet-
ing of the board of equalization.

The restraining order was
issued after Fletcher Sims, Jr.,
brought suit against the school
board and the school district
board of equalization.

Sims complained that the tax
notices sent out by Kuykendall
bore only the taxpayer's ren-
dition for this year and last
year's valuation.

He contended that valuation
should have been set this year
by the tax assessor-collector
and that the taxpayer should
have been notified of such
assessment.

Judge Jordan ordered that an
assessment be made by Kuy-
kendall in cases where taxes
were to be raised above ren-
dition made by the taxpayer and
that the taxpayer be notified.
School officials contend that
the demands of the court order
have been met.

Girlstown Donations Are Sought

Canyon Jaycees are pro-
ceeding with a "Christmas
for Girlstown" auction, ac-
cording to Delbert Turk,
president.

Final plans on the project
have not been completed.
Turk advised that all per-
sons with donations call him
at OL5-2131 or OL5-4798
or call Carl Miller at OL5-
3742.

"We will pick up the dona-
tions in a few weeks for the
auctions," said Turk.

"It is our objective to
give the girls a better
Christmas than they have
had in years past," con-
cluded Turk.

CONTRACTORS NOTICE OF
RANDALL COUNTY ROAD
IMPROVEMENT
CONSTRUCTION

Sealed proposals covering finishing and topping of two (2) miles of road, one mile South of Canyon city limits in Precinct #3 of Randall County, will be received at the office of the County Auditor of Randall County, until 1:30 P.M., September 25, 1967, and then publicly opened and read.

Further specifications covering the details of the work to be done may be obtained by contacting Glenn Dowlen, Commissioner Precinct #3.

The minimum wages to be paid on the work included in the proposal shall not be less than the minimum wages required by the Texas Highway Department for similar work.

The right is reserved, as the interest of the County may require, to reject any and all bids, and to waive any informality in bids received.

Capers Sponsor Dance Lesson

Canyon Capers Square Dance Club met Monday night for the first in a series of twelve beginner square dance lessons. Couples interested in joining the dance class should attend

the meeting Monday night at the Randall County Junior Livestock Building at 7 p.m. New students joining the class this week were Dan and Mary Milhonor, Bill and Betty Oglesby and Mrs. Merle Ray.

Lessons are \$12.00 per couple for the series.

The club will have a special "guest caller's night" at their dance on Monday.

Knox Day was in charge of calling Monday night and LeRoy Pitt called a tip. A number of guests were present including Tommy Thompson and Louise Knox from Levis and Lace and Charles and Claudene Peckenpaugh of Canyon.

Classified ads get fast results.

Next meeting of the group will be a yearbook workshop September 19 at 8 p.m. in the Girl Scout Building.

Miss Flesher gave the program entitled "On Being Alive". A report was given from a "begin-the-season-tea" which was held in late August with members of Chi Upsilon chapter as special guests.

Present for the recent business session were Mesdames Bob Brotherton, James Erwin, Kirk Kite, Charles Peckenpaugh, Herbert Kuhlman and Miss Flesher.

Eagles To Meet Lobos Friday

BY JON LOW
The Canyon Eagles seek to find a winning combination Friday night when they tackle the winless Lovelland Lobos at 8 p.m. in Buffalo Bowl.

Lovelland, 2-7-1 last year and picked to finish seventh in District 3-AAA this time around by Dave Campbell's Texas Football magazine, dropped a 38-6 decision last week to Seminole, picked only fifth in 2-AAA by the same magazine.

Canyon will start with a new quarterback, junior Lon Conner, who was ineligible through last week under an Interscholastic League transfer rule. The addition of Conner at quarterback will make it possible for the Eagles to return several players to familiar positions, after having to switch for their opener against Phillips.

Phil Swartzell is back at fullback despite cracked ribs sustained against the Blackhaws, Dwayne Gerber returns to center, Bob Wood goes to halfback, and Calvin Yarbrough is back at tackle.

Promising sophomore Ronnie Hager has jumped to the front of the right end picture. Hager also handled the punting last week and is now in a duel with Conner to keep that job.

The Eagles, who gave up more yardage to Phillips last week than Egypt did to Israel this summer, have junked their slant defense in favor of a "27" alignment, which Coach Jim Greenwood hopes will help to solve the defensive problems.

"When you're losing you just have to keep trying to find the right combination," explained Greenwood. The answer may lie in the new defensive alignment of Gerber, Ronnie Russell, Tommy Tucker, and sophomore Gary Schriber up front, Jim McBroom, Swartzell, and sophomore Gary Gilbert at linebackers, and Ted Walker, Conner, Wood, and Tony Gibson in the secondary.

"One of our big problems has been lack of experience," said Greenwood. "Last week we had to play several sophomores, who were of course pretty nervous playing in their first high school game. Now that they're broken in, I think they'll do better. They certainly will be trying."

Lovelland's strong point is a big line, where tackle Buddy McDermott (208) and ends John Spence (197) and Alan Geistman operate. Curt Langford (214) also has good credentials up front. Fullback Otis Ray

Smith and tailback Larry Hughes are backs to watch. Spirit is extremely high among the Eagle squad this week, and the team would like nothing better than to even their record at the expense of the Lobos.

"Monday we had the best workout that we've had since I've been here," stated Greenwood. "We are really anxious to make up for last week."

On offense Canyon is expected to start with Hager and Tom Brandt or Gary Hester at ends, Tucker and Russell at tackles, McBroom and Chuck Hester at guards, and Fred Jenkins at center, with Conner at quarter, Swartzell at full, and Wood and David Thompson at halves.

Future Eagle opponents were 6-2-1 in games last week, Lawton Eisenhower (0-1) fell to Northwest Classen of Oklahoma City, Tucumcari (1-1) bested Sanford-Fritch 14-0, Spearman (1-0) edged Sunray 14-6, Hereford (1-0) thrashed Floydada 41-6, Dumas (0-0-1) was held to a scoreless tie by Palo Duro, Perryton (1-0) surprised AAAA Pampa 21-0, Muleshoe (1-0) rallied past Dimmitt 14-13, and Tulia (1-0) downed Vernon 14-13.

Maternal grandparents are Mr. and Mrs. D. R. Weaver of Canyon. Paternal grandparents are Dory Funk, Sr., of Umpire and Mrs. Dorothy Funk of Amarillo.

WT Booster Social Held
About 70 persons attended a West Texas State University basketball booster club social Tuesday evening at Canyon City Club.

Players and coaches were introduced. Master of ceremonies was Jim Christopher, club president. Coach Dennis Walling introduced Coaches Lester Pollock and Lonnie Nichols. Walling also introduced the squad.

Dr. James P. Cornette, WT president, gave the welcome.

Two Injured In Accident
A Canyon physician and a West Texas State University student were treated and released from Niblett Memorial Hospital following a two-car accident here shortly after noon Wednesday.

Dr. Robert P. Jarrett, 56, and Thomas W. Hall, 39, were treated for cuts and bruises following the wreck at 17th St. and 7th Ave. Dr. Jarrett was traveling east on 7th Ave. in a 1966-model car and Hall south on 17th St., in a late-model pickup when the accident occurred.

A unit from the Canyon Fire Department was called to the scene to wash gasoline from the pavement.

Damages to the two vehicles were estimated by Canyon Police at \$1,200.

PTA Members Are Sought
Members are being sought for the Rex Reeves Elementary School Parent-Teacher Association.

President of the organization for 1967-1968 is the Rev. Herman Alexander and serving as vice president is Mrs. Donald Edds.

Membership is \$1 per year for each person and signups can be made at the Rex Reeves Elementary School or by any PTA officer.

Committees will be needed in the PTA to visit and welcome new families, participate in a bicycle safety program, involve people in community elections and other projects, help publish for each member a student-teacher directory and to plan a PTA District Conference to be conducted in Canyon next spring.

CANYON HIGH SCHOOL BAND will be led by, front Jackie Ziegler, left, and Susan Reed; back, l-r, D'Lynne Bellah, Pat Jarrett and Darlene Gatten. The majorettes and drum major will perform with the CHS Band at school band functions throughout the year.

'Mr. Angel' Is Comedy Production

"Mr. Angel" has been selected as the fall production for drama students at Canyon High School.

The comedy which deals with "angels on earth to place an unborn being in the home of a famed actor and actress", will be presented September 28-29 in the Canyon High School auditorium. Admission will be \$1 per person.

Andy Moreland has been cast in the role of the lead angel, who takes the form of a human. Other cast members are Mary Mitchell and Paul Grimes, famous actor and actress; Bea Thompson, the unborn being; Mary Starnes, a playwright friend of the actor and actress; Frank Williams, a gangster actor; and Alicia Boone, a fellow angel.

The 17-member cast is directed by Eddie Thomas, speech instructor, with Margaret Raef as assistant. Costumes, lighting and publicity are being handled by drama students.

Rites Held For Former Pastor

Rev. W. J. Phelps, 67, died recently at Tacoma, Washington.

REV. W. J. PHELPS

Born in Butler County Kentucky, Rev. Phelps was first ordained as a Baptist minister. He was ordained into the Assemblies of God on May 11, 1939.

He is survived by a daughter, Mrs. Kenneth Nelson of Milton, Washington; a son, Rev. Archie W. Phelps of Richmond, California; and four grandchildren.

Jaycees Hear About 'TEXAS'

Raymond Raillard applauded "TEXAS" attendance records at Tuesday's meeting of the Canyon Jaycees.

Raillard, executive vice president of the Panhandle Heritage Foundation, said that the 1967 attendance record of 64,733 exceeded the original expectations for the show during its second season.

"This is a first for outdoor theatre," said Raillard, explaining that the second season is normally a slump for the outdoor theatre. The attendance at the 1967 version of the outdoor musical was up 3,395 over last year.

A brief business session was conducted at the conclusion of the program with Delbert Turk, Jaycee president, presiding.

DZ Alums Plan Tea

Delta Zeta Alumnae members met Monday night at the home of Mrs. Jerry Puckett to discuss and plan a "Founder's Day" tea for October 28.

The tea will be held in connection with the active sorority chapter's homecoming tea. It is to be held at the Baptist Student Union on the campus of West Texas State University.

Present for the meeting were Mesdames Gary Garner, John Green, R. P. Jarrett, Tom Keeling, Lynn McLarty, Lee Roy Moreland, Wm. R. Willson, David Uhl, Jim Greenwood, Jerry Puckett and Miss Ann Warwick.

**Bad Checks
Are Problem**

Worthless checks are a "nightmare" to merchants and courts in a small community. George Dowlen told students at a police academy school here last week.

Dowlen, Randall County Criminal District Attorney, said there are several things necessary before a swindling conviction is possible.

First, he said, the person who received the check must be able to identify the writer. Without the proper identification, no conviction is possible.

Also, the defendant must have received something of value at the time the check was written. Dowlen explained that payment by worthless check for any debts accrued in the past was not sufficient evidence for a swindling conviction.

The person who received the check must be able to prove that the check writer represented the instrument as being good and that there was intent to swindle.

The legislature specifies that the person who receives the check must inform the writer by certified mail that the instrument was not paid at the bank.

"Hold" or "stop payment" checks are not generally sufficient evidence for swindling charges to be brought, Dowlen concluded.

The school, which closed Friday after two weeks of classes, is part of a continuing program sponsored by the City of Canyon, West Texas State University and the Randall County Sheriff's Department.

The free school, which is open to all local law enforcement officers, will begin another round of classes Sept. 25 concerning traffic laws.

Instructors from the Texas Department of Public Safety in Austin will conduct the second two-week academy daily from 3 until 5 p.m. on the WTSU CAMPUS.

Points to be covered in the next school on traffic will be accident investigation, point control, and drivers license, right-of-way, speed, and driving while intoxicated laws.

**Lake Waters
Being Studied**

Three representatives from the Federal Water Pollution Control Administration have been at Buffalo Lake Refuge this week taking preliminary water samples.

Mel Gray, chief of surface water section with the Robert S. Kerr Foundation in Ada, Okla., said the preliminary survey was being conducted for a later overall investigation program of the lake and water shed area.

Gordon Hansen, lake manager, said the one-year project was instigated recently after he met in Austin with members of the Texas Water Pollution Control Board, State Health Board, Federal Water Pollution Control Administration, US Public Health Service, US Bureau of Sport Fisheries and Wildlife and the Texas Parks and Wildlife Department.

His group will report their findings to the Texas Water Quality Board. The board will then make recommendations for pollution control at the lake and water shed.

Although Gray said he had been using only small equipment to make water samples, a mobil laboratory would be brought to the lake when the full-scale investigation gets underway next month.

The laboratory, Hansen said, would be able to make all the tests that have been previously been made in Austin, "and then some".

"We are going to be pinpointing all the sources of pollution," Hansen declared.

He said the Texas Water Pollution Control Board indicated they would deal with all the regulatory aspects of the year-long program.

Representatives from several state and federal agencies are expected to meet at the lake in October for a detailed study of the pollution that has killed more than 250,000 game fish.

**Dunn Family
Has Reunion**

The descendants of the late A. W. Dunn met for the annual family reunion Sunday at the farm home north of Childress.

Dunn and his family moved to the River Camp Community in 1950.

Approximately 60 relatives were present from Amarillo, Grand Prairie, Jacksboro, Fort Worth, Floydada, Midland, Childress, and Los Angeles, California.

Attending from Canyon were Mr. and Mrs. C. W. Dunn.

Buffaloes Open '67 Season Against Montana State Here

The West Texas State University Buffaloes open their 1967 football schedule here in Buffalo Bowl Saturday night at 7:30 and a brilliant display of offensive football is forecast.

The Buffs' opponent will be the Montana State University Bobcats who ranked as the nation's number two small college grid power after posting an 8-2 record and winning the Big Sky Conference championship last year.

In preparation for their Saturday night opener, the Buffs conducted their final tuneup scrimmage of Fall drills Saturday afternoon and Head Coach Joe Kerbel had praise for both the offensive and defensive units.

"I was especially pleased with the way our number one offensive unit moved the ball and our first defensive team played equally well," commented Kerbel.

When Montana State invades Buffalo Bowl Saturday night, chances are ripe that they'll come out throwing. The Bobcats were dealt a 24-6 setback last week by a rugged North Dakota State eleven. "We got off to a slow start and were behind 17-0 at the

half," stated Coach Jim Sweeney. "We had to break our game plan to try and get a rally going. As a result, we never recovered."

This week the Bobcats will be out to regain some of their lost prestige, but to do so they'll have to contain a West Texas State offense that ranked fourth among the nation's major colleges in total offense and eighth in forward passing in 1966.

"I'm impressed with the size, speed and the overall personnel of the Buffs," surmised Coach Sweeney in a telephone interview. "We'll probably have to open up our offense more to take pressure off Don Hass."

Hass, to those who don't already know, is MSL's All-American tailback. As a junior last season he averaged 146 yards per game and scored 20 touchdowns. He was never held below 100 yards in any game, and only once was held scoreless. Held to only 75 yards against North Dakota State last week, it was the first time for Hass to fall below the 100 mark in two years. "Hass had hard luck against North Dakota State," said

Sweeney. "He looked like he was gone on several occasions only to be stopped by some great defensive pursuit."

In an effort to help spring Hass, the Bobcats will likely go to an aerial attack centered around the passing of quarterbacks Dennis Erickson and Russ Dodge, both of whom are regarded as good short passers. Erickson manned the number one job last year, and scored 12 touchdowns.

From the results of the Buffs' final scrimmage last week, West Texas State could not be more ready for the Bobcats. Headed by the silky-smooth quarterbacking of junior Roy Winters, a crisp blocking line, and the brilliant running of halfback Eugene Morris, the Buff offense sprayed up 126 points, hammered out 876 infantry yards and added an additional 730 steps on pass receptions.

Winters, a 175-pounder from Rankin, connected on 21 of 40 passes for 506 yards and six touchdowns. His faking and play calling kept the second and third defenses off balance throughout the two-and-a-half hour scrimmage.

Morris, running like an All-American, gained 387 yards on 15 carries and scored three touchdowns. The Mercury Man also passed 23 yards to tight end Dan Andrews for another

score. A junior, Morris led the Buffs in both rushing (543 yards) and scoring (nine touchdowns) last season.

The Buffs' number one defensive unit also proved their mettle during the scrimmage. Applying relentless pressure throughout the afternoon, the second and third offensive units were never able to penetrate further than mid-field.

Heading the first unit's charge were All-Texas tackle Jimmy Campbell, tackle Frank Goodish, linebackers Jesse Powell and Byron Jones, and safety Steve Haterius.

Haterius, a senior safety from Stamford, gave the defense its only touchdown of the day on an interception return of 36 yards.

"Our offensive line did an outstanding job of opening holes for our firstbackfield," praised Kerbel. "I was also pleased with their pass blocking. Any time you gain 1,597 yards total offense, you can't say enough for the line." Salwarts in the first offensive line were tackles Dag Azam and A. Z. Drones, guards Frank Profit and Eddie Golecki and center Mike Zoffuto.

"We just hope that we will be able to do half as well against Montana State as we did against ourselves," appraised Kerbel. "We have every respect for the Bobcats."

DKG Chapter Has Coffee

Zeta Delta chapter of Delta Kappa Gamma International Society met Saturday at the home of Dr. Velma Pearce at Lake Tanglewood.

Approximately 26 were in attendance at the coffee hour which was followed by a business meeting with Mrs. J. W. Lindsey, president, in charge. Mrs. Boyd M. Webb, program chairman, reviewed the year's program which follows the theme "A Critical Analysis of Values". Mrs. L. A. Fabian, achievement and awards chairman, reported on recent activities and accomplishments of chapter members. Various committee reports were given and the meeting was concluded with a picnic lunch.

Present were Mesdames Mae Johnson, Leonard Winters, K. E. Hines, George Barker, Win Matsler, Levi Cole, Lang Hunter, Leslie Neal, J. P. Hammons and Ben Priddy.

Priscillas Have Meet

Priscilla Needle Club met recently at the Bill Crow home for an afternoon of needlework and visiting.

A dessert course, fruit plate and coffee were served to Mesdames D. M. Foster, H. M. Stokes, Claude Boatman, T. S. Stevenson, Sr., Faye Cannedy, C. M. Presley, S. B. Linder, Dudley Moore, Sr., R. A. Hodges, and J. M. Daugherty.

Wheat Planting Underway Here

Wheat seeding for the 1968 crop is now underway in Randall County.

Planting moisture is available in most sections of the county to insure germination and early growth, according to county agent John Brazzil.

Late August and early September seeded wheat was planted with early fall wheat pasture in mind. Moisture received after the crop is growing will determine the extent of the fall wheat pasture run.

Most irrigated wheat and a

considerable acreage of dryland wheat will be seeded later in the season. Seedbed preparation and pre-irrigation requirements from wells still being used for grain sorghum delays seeding on irrigated farms. Early seeded wheat which develops extensive early top growth uses moisture reserves during the fall growth.

A good crop of corn ensilage is being harvested. Most of the activity is centered around the new feedlot northwest of Canyon. Dairymen are also putting up ensilage.

The condition of the grain sorghum crop is varied. Some irrigated fields have excellent prospects. Some others have suffered from the Dwarf Maize Mosaic disease, from weed and johnson grass infestations, from a shortage of irrigation water during the stress period in dry August, and some minor damage from insects.

The dryland grain sorghum crop is expected to be rather short. Some fields in the southeastern portion of the county continue to look very promising but many fields will not be harvested because of severe drought in August.

An increased acreage of irrigated soybeans continues to make good progress. September is the critical time for beans as the fruit pods are now being matured.

THIS WATER WAGON was developed, designed and produced by Jesse Jones, manager of Canyon Plastics. The local business establishment makes several articles of polystyrene for distribution throughout the United States.

Canyon Plastics Invent And Make Water Wagon

BY WAYNE BOARD

Quiet, light, portable and safe are all adjectives used to describe the "water wagon", newest item developed by Canyon Plastics.

Jesse Jones, who manages the firm and designs many of its products, said the water wagon is made of polystyrene and weighs a mere 18 pounds. The wagon, he explained, has a buoyancy of 750 pounds.

"The water wagon," he said, "is easily propelled by gently kicking your fins in a swimming motion with feet through the leg well."

The invention, 72" x 42" x 11", can be safely propelled over miles of lake, river and coastal water, Jones pointed out, with an electric or gasoline outboard motor up to three horsepower.

The wagon has containers for live bait, cold drinks and a motor mount.

The one-piece wagon was developed by Jones about a month ago and already more than 100 have been sold throughout the United States. The wagons sell for \$49.95 and may be purchased here from Canyon Plastics.

The firm also manufactures what Jones calls a "water bug", a circular raft.

The bug, he said, is made from hundreds of thousands of tiny beads of the expanded polystyrene plastic fused solidly together to make a lightweight rigid structure.

"This sealed-air cell structure," Jones continued, "is absolutely resistant to water and provides the most effective DA . . .

(Continued from Page 1)

tary and an assistant criminal district attorney if one is hired at a future date.

The dormitory has been used three times in the past four years by Randall County and once by Potter County.

Dowlen informed the court that the state has asked for the county's delinquent tax roll back to 1939. He also told the court that he will be absent from his office while attending a conference for district attorneys in Austin beginning Sept. 21.

Commissioners Monday accepted a \$23,733.36 check from the state to be used in maintenance of lateral roads.

A bid of \$5,707 by J. Lee Milligan of Amarillo was accepted for resurfacing McCormick Road from the Santa Fe Railway to South Washington.

Letters were read into the court's minutes from George Dowlen to Southwestern Bell Telephone Company and Southwestern Public Service Company asking the firms to consult the Texas State Highway Department about moving lines back along Rim Road.

Rim Road, located in Precinct 1, is about to be widened and paved. Most of the fences along the 4 1/2 mile stretch of road already have been moved, according to B. R. Jones, commissioner from Precinct 1.

Commissioners accepted a plat for Sherman Acres No. 2, located in the north part of the county.

The court authorized the advertising for bids to finish and top two miles of road running east and west about a mile south of Canyon.

Plains Chevrolet was awarded the bid for a 1968 Chevrolet pickup truck for Precinct 4. The Plains bid was \$1,740.51. There were three bidders.

lishment makes several articles of polystyrene for distribution throughout the United States.

The plane parts, Jones explained, are shipped to a firm in Atlanta, Ga. They use about 350 each week, he said.

Canyon Plastics also manufactures parts for Texas Instruments, Bell Helicopter, Barrow, Inc., Dodd Corporation here and air conditioner parts for an Oklahoma City firm.

Jones has also established a studio for his designers who are constantly developing new ideas for products.

"We have come up with some pretty wild things," Jones concluded.

(Continued From Page 1)

car struck the left rear of the pickup. The pickup overturned on the right shoulder of the south-bound lane of traffic.

The automobile, officers said, crossed the center divider, slid across the north-bound lane of traffic, hit a tree and came to rest in the creek.

Both vehicles were demolished, officers said. Damages were estimated at \$1,500.

Officers from the Canyon Police Department, Randall County Sheriffs Department and West Texas State University Security Department helped control traffic near the scene of the accident.

Ambulances from Canyon and Amarillo were used to transport the accident victims to various hospitals.

W. E. Brown Selected As JC Of Month

Weyman Brown was selected as August "Jaycee of the Month" at a business meeting of the men's civic club Tuesday evening.

Brown was selected by fellow Jaycees for his contributions to the club through introducing a number of prospective members. He will be presented with a certificate which is to hang throughout the remainder of September at all Jaycee meetings.

Jaycee president, Delbert Turk, reports that all young men between the ages of 21-35 are invited to attend Jaycee meetings which are held every Tuesday. The Jaycees currently have a "day-night" arrangement for business sessions, according to Turk.

Classified ads in the Canyon News get fast results.

"Jowell" nominees are Alfred Buecker, James Dietz, Quentin Gill, Thomas Gooch, Melvin Leavitt, James McCasland, Otto Rahlf, Jr., Carl Sims and J. L. Waters.

"Umbarger" candidates are Leo Artho, Leonard Batenhorst, Jack Brandt, Aloysius Friemel, Anton Hollenstein and Ralph Ruthart.

Those on the "Highland" ballots are Roy Gwyn, A.M. Kuehler, Willys Lamb, Loren Mason, Dan Milhoan, Paul Schneiderman, Gary Wagner and Bernard Zimmerman.

"Trigg-Ceta" candidates are Henry Bassett, Glynn Burrell, Paul Dudenhoeffer, Clinton Glenn, Lewis Hales, Lawrence Hermesmeier and Emil Olson.

On the "Stone" community ballot are Lynn Bennett, Dyer Bonfield, Harold Erwin, Orville Ladehoff, Thomas Triplett, Joseph Turpin, John Upshaw and Fred Winters.

MRS. KLAUS MARTIN HASSACK

Miss Judy Stevenson Weds Hassack In Chapel Rites

Miss Judy Carol Stevenson became the bride of Klaus Martin Hassack in double ring rites read Friday at Joseph A. Hill Chapel on the campus of West Texas State University.

Rev. C. Newton Starnes, pastor of the First Methodist Church of Canyon, officiated at the exchange of vows. The bride is the daughter of Mr. and Mrs. Turner S. Stevenson, Jr., of Canyon and the bridegroom is the son of Mrs. Elisabeth Voss of Pittsburg, Pennsylvania and the late Fredrick Hassack of Vienna, Austria.

White wedding tapers in tiered candelabra formed the background for the white satin draped altar and kneeling bench. Flanking the altar were large baskets of pink gladioli and smaller floral arrangements accented the setting.

Gene Murray sang "More", "Because" and "The Wedding Prayer". Miss Karen Elaine Erwin accompanied at the piano and Mrs. Glenn Dowlen provided appropriate organ selections.

Given in marriage by her father, the bride wore a formal wedding gown of candlelight satin. The fitted bodice and slim skirt were trimmed with hand applied Venice lace which was repeated on the elbow length sleeves. The chapel train was attached at the shoulders with a satin bow and held an over-panel of the matching lace edging the satin. Her fingertip veil of candlelight illusion was held by a floral cuff embroidered with seed pearls. She carried an imported Swiss lace handkerchief and a Rainbow Bible topped with a bouquet of white roses.

Mrs. Don Carl Tardy served as matron of honor and Miss Pamela Jean Calder as bridesmaid. They wore straight formal gowns of pink satin backed with shantung. The gowns were softly draped across the back and attached at the right shoulder with a bow of matching fabric. Their shoes were tinted in the same shade of hot pink matching their headresses of Chanel-type bows and veils of tulle. Each carried a bouquet of hot pink and wore formal length gloves.

Candlelighters were Miss Rebecca Bell of Claude, cousin of the bride, and Kenneth Turner Stevenson, brother of the bride. Miss Bell wore a formal length gown with an empire waistline featuring a matching fabric similar to the bridal attendants.

Miss Abbejane White, flower girl, was dressed in a formal length gown of candlelight with matching headress and gloves. She wore a pink corsage and a floral arrangement bordered the basket, which she carried.

Brent Bell of Claude, cousin of the bride, carried a lace covered pink satin pillow with the wedding rings resting on top and tied with pink velvet ribbons.

Best man was Michael Wayne Allen of Amarillo. Larry Patterson of Amarillo served as groomsmen. Ushers for the occasion were Larry Roan, Don Lawler and Robert Smith, all of Amarillo.

A wedding reception honoring the couple was held at the home of the bride's grandparents, Mr. and Mrs. Turner S. Stevenson, Sr. The bridal table was laid with a linen cutwork cloth featuring a crystal centerpiece with pink gladioli and hot pink asters. Matching crystal candelabra with white tapers flanked the arrangement.

The wedding cake was served by Mrs. John Bell of Claude and presiding at the silver punch service were Mrs. J. B. Hickman, aunt of the bride, and Mrs. Wayne Houlette of Plainview, cousin of the bride.

Society News

Stinnett Rites Unite Miss Brawley-Brown

Double ring ceremonies were read August 26 at the First Baptist Church of Stinnett for Miss Carol Brawley and Kenneth H. Brown.

The bride is the daughter of Mr. and Mrs. Gaenell Brawley of Stinnett and parents of the bridegroom are Mr. and Mrs. N. W. Brown of Canyon. Rev. Weldon W. Lewis officiated at the exchange of vows.

An archway covered with greenery and centered with wedding bells accented the altar area. Baskets of white flowers flanked the arrangements. Soloist, Sherry Riemer, sang "More", "Twelfth of Never" and "The Lord's Prayer". Accompanying at the organ was Sheryl Lynn Wilbanks.

The bride, given in marriage by her father, wore a white floorlength straight gown of chiffon over bridal satin with a fitted bodice and long, tapered button sleeves. Her long train of chiffon was covered with lace at the yoke and fastened at the shoulders. It was edged with lace and covered with lace cutouts. Her fingertip veil of illusion was attached to a crown of heart-shaped lace cutouts and seed pearls. She carried a bouquet of white orchids.

Lenda James of Amarillo served as maid of honor. She wore a street-length semi-shift of red chiffon over satin with a scooped neckline.

Bridesmaids were Sharyn Myers of Canyon, Miss Connie Scruggs of Amarillo, Susie Brawley and Mrs. Donna Barrett, both of Stinnett. They were costumed identically to the maid of honor and each carried a white rose.

Jimmie Brown of Canyon served as best man for his brother. Groomsmen were Edo Myers, Canyon, Ronnie Scruggs, Amarillo, Jean Hefner, Canyon, and Robert Ham, Canyon. Ushers were Kenneth Branum and Eddie Jenkins, both of Canyon.

Ringbearer was Dan Brawley of Stinnett, brother of the bride, and flower girl was Sheryl Scruggs of Amarillo. Candlelighters were Sharee Partridge and Kelley Sue Simpson, both of Spearman.

The reception, held in the church fellowship hall, was directed by Mrs. Max Grossman.

Assistants were Betsy Bradford, Judith Johnson and Wernon Williams.

The couple will make their home in Canyon where both are students at West Texas State University. The bride is a junior elementary education major. The bridegroom is a senior student at the university majoring in business administration. He is a past president of Kappa Alpha Order fraternity, member of Alpha Chi honor society, secretary of Scabbard and Blade and served as president of the WTSU junior class last year.

HD Council Coordinates Year's Work

Home Demonstration Clubs of Randall County will probably highlight the year with the third annual "Homemaker of the Year" contest and luncheon next spring.

Mrs. Charles "Wire" Wright is chairman for the HD Council which co-ordinates projects and programs for the ten clubs of the county.

Final plans for the new year are indefinite at this time, according to Mrs. Sydney "Becky" Hall, new county home demonstration agent. Mrs. Hall will speak to all clubs of the county in a variety of special emphasis programs.

Other programs will be arranged by each club. Remaining for the fall season are studies of interior decorating, selecting furniture, clothing care, foods, a Thanksgiving program for each club and a joint county Christmas party. Leading the ten clubs this fall will be Mrs. Earl Hadley, Canyon HD president; Mrs. Harry Widick, Edgetown HD president; Mrs. Fred Begert, Golden Spread HD president; Mrs. James Lamb, Highland HD president; Mrs. Harry Walker, Lakeview HD president; Mrs. M. E. Webb, Palisades HD president; Mrs. C. D. Todd, Palo Duro Rusk HD president; Mrs. John Jennings, Pleasantview HD president; Mrs. S. G. Elliott, Sunnyhill HD president; and Mrs. Buford Sparks, West Side HD president.

Miss Trudy Patton of Amarillo registered guests for the reception and miniature rice bags of pink net, tied with satin ribbons and miniature flowers, were distributed by Judy Owens of Plainview.

Other members of the reception houseparty were Mesdames Wayne Wirt, B. B. Warren, Weldon Hager, Eugene Bonds, Lee Roy Moreland, David Matthis, Art Roberts, Burwell Southern and Jerry Adams.

For a wedding trip to points of interest in Colorado, the bride changed to a white, yellow-gold and black plaid two-piece suit with matching yellow-gold shell blouse. She wore a black velvet hat banded in leather and accented black kid gloves, bag and shoes.

The couple will make their home at 2701 Eighth Avenue in Canyon.

A rehearsal dinner honoring the couple was held Wednesday evening at the home of the bride's aunt and uncle, Mr. and Mrs. J. B. Hickman. The bridegroom was co-host for the occasion.

A graduate of Canyon High School, the bride is a senior student at West Texas State University where she is a member of Zeta Tau Alpha national social sorority and Phi Gamma Nu national business sorority.

The bridegroom graduated from Crafton High School in Pittsburg, Pennsylvania and West Texas State University in Canyon. He is a member of

Alpha Tau Omega, national social fraternity. The bridegroom is presently working toward his master's degree in government and economics and is a graduate instructor in the government department at the university.

The bride was feted with a miscellaneous bridal shower at the home of Mrs. A. C. Haley, Jr., August 29. The bride's grandmother, Mrs. T. S. Stevenson, Sr., presided at the serving table where she was assisted by Mrs. C. Newton Starnes, Mrs. Wayne Wirt and Mrs. Lee Roy Moreland.

Registering guests at the bridal shower were Miss Carol Brown and Miss Ann Hardaway. Other hostesses were Mesdames Noah Amason, Bob Anderson, Robert Bellah, Eugene Bonds, Henry Calder, Bill Harmon of Tullia, Nelson Henson, Florene Moore, Lee Roy Moreland, Gene Morrison, E. M. Myers, Art Roberts, M. L. Sherrod, C. S. Thompson, B. B. Warren and Wayne Wirt.

Approximately 35 guests attended a personal shower honoring the bride recently at the home of Miss Pam Calder. Assistant hostesses were Miss Janie Burk and Miss Carol Brown. The serving table was decorated with pink asters in shades of pink and hot pink, the bride's selected colors.

MISS LEOTA JENE DUFFEY

Engagement Announced

Mr. and Mrs. Leo T. Duffey of San Antonio announce the engagement and approaching marriage of their daughter, Leota Jene, to Guy Walter Haynes.

Miss Duffey is a graduate of Thomas Jefferson High School in San Antonio, San Antonio College and the University of Texas.

Her fiancé is the son of Mr. and Mrs. Guy Harper Haynes of Canyon. He is a graduate

of Belton High School and received the B.S. degree in electrical engineering at the University of Texas, where he was a member of Phi Kappa Phi and Tau Beta Pi, honor fraternities. He received the master's degree from Stanford University and is currently a candidate for the Ph.D. at the University of Texas.

November wedding vows are set to be held at the Highland Park Baptist Church in Austin.

Federated Clubs Outline Project Plans For 1967-68 Club Season

The 1967-68 club year has begun for the women's clubs of Canyon and many interesting projects are being planned for the coming year by the various groups of Canyon.

Clubs will resume regular meetings this month, following the summer relaxation period. These projects will continue throughout the spring season promising a full and rewarding year for a majority of Canyon's female inhabitants.

There are four study clubs in Canyon which contribute to the full schedule for Canyon women during the fall, winter and spring months. These federated clubs are the Woman's Book Club, the University Study Club, the Sue Hite Club and the Canyon Study Club.

Members of the four clubs will gather November 6 for a joint federation dinner at the Rex Reeves Elementary School cafeteria where Mrs. Guy Crawford of Berger, president of the Top of Texas District of the Texas Federation of Women's Clubs, will be guest speaker.

Many other events will highlight the year for the women's study clubs as each club plans programs of a patriotic nature with special guest speakers, various films, and numerous study topics of interest.

Leading the study clubs this year will be Mrs. C. L. Wilson, Woman's Book Club president; Mrs. Don Ray, Canyon Study Club president; Mrs. Raymond Raillard, Sue Hite Club president; and Mrs. James M. White, president of the University Study Club.

"Community Horizons" is the theme of study for the

Canyon Study Club this year and special emphasis will be given to the course of study on "Education Unlimited". According to Mrs. Ray, club president, the study will include such guest speakers as Mrs. Charles Neater, president of the Canyon Girl Scout Council; Robert Tilby, instructor of psychology at Amarillo College; Mrs. Audrey Sanders, former teacher in the Canyon Public Schools who is secondary specialist in social studies for (PESO) the Panhandle Educational Services Organization; Max McCulloch of the Neighborhood Youth Corps program with PESO; David Child, director of the Baptist Union at West Texas State University and Dr. Burl Brim, associate professor of education at WTSU.

Mrs. C. L. Wilson, president of the Woman's Book Club, has selected "As a Man Thinketh" as the club's general study theme with a number of interesting programs to carry out the theme. Included in the study will be a program on the Randall County Public Library by Mrs. S. B. Louder, club representative on the library board; tourist attractions of the Panhandle; a review of Emil G. Kroening's book "I Have Kept the Faith"; a fine arts program by the WT drama department under the direction of William A. Moore; and a report on the cultural heritage of Randall County by Leroy Hutton, county clerk.

Various other programs will be included in the club's agenda according to Mrs. Wilson. Among those will be a "History of the Texas Rangers" by Butch Albers, Texas Ran-

ger; and a report on "Juvenile Delinquency Regulations" with Woody Pond, probation officer, as guest speaker. In addition, the club will have a Christmas social and will sponsor the third annual art exhibit featuring work of area artists and a contest for students of the Canyon Independent Schools.

"Our Neighbors...Contributors To Youth Development" is the study theme selected by Mrs. Raymond Raillard, president of the Sue Hite Club. The club will open fall activities on September 25 with a salad supper at the home of Mrs. S. P. Burgess.

Sue Hite Club will study a variety of "neighbors" during the year as Mrs. Battle Harris reports on a trip to Europe; Dr. John Kahler speaks on "Neighbors Across the River-Mexico"; Canadian neighbors by Virginia King Allen, and other subjects concerning neighbors in the schools, and in parts of Texas.

Mrs. James Murphy White, president of the University Study Club, has selected "It's A Small World" as the study topic for her club this year. Among programs will be a tour of Australia with Mrs. Hershel Coffee narrating, a tour of Europe presented by Mrs. Battle Harris, the film "On The Square" which deals with life in Russia, a journey to Japan via the Canyon Art Gallery with Mrs. James P. Corneille in charge, and a program on South America by Mr. and Mrs. Walter Graham.

The club will also sponsor a "Fall Tour of Homes" on October 1, a Christmas tea at the A. W. Lair home and a spring fashion show.

Women's Clubs Open New Year

Several Canyon clubs are also planning projects for the coming season.

The annual spring Flower Show is a major project for the Canyon Garden Club, according to Mrs. E. T. Cummings, president. Throughout the fall and spring months the club has special programs giving hints on how to care for flowers, shrubs and general lawn and garden care.

Mrs. Weyman Brown, president of the Canyon Jayceeettes, said that "the women's civic club will have a full schedule throughout the year with

many projects aiding their Jaycee husbands".

The Jayceeettes also co-sponsor the "live nativity scene" which is presented during the Christmas holidays on the courthouse lawn. They aid the Jaycees in a number of youth projects annually and also have a standing project for holiday lunch trays favors at Neblett Memorial Hospital.

Led by Mrs. Cristler Crain, president, the American Association of University Women will open their fall season with a tea Sunday, September 17, from 3-5 p.m. at the Fine Arts Building at West Texas State University.

Leading the two Mother-in-Law Clubs in Canyon this year will be Mrs. H. E. Campfield, president of Palo Duro Mother-in-Laws, and Mrs. C. W. Newsum, chairman for the Canyon Mother-in-Laws.

Mrs. John E. Green is president for the Canyon Fine Arts Club. Mrs. E. E. Perkins will direct activities of the Order of the Eastern Star chapter in Canyon.

The exemplar and ritual of jewels degree chapters of Beta Sigma Phi sorority will be under the direction of Mrs. Alvin Kuhlman, Chi Upsilon chapter, and Mrs. Herbert Kuhlman, Xi Kappa Zeta chapter. Both chapters will work jointly on several projects throughout the year which will include several spring banquet highlights.

Alumnae sorority chapters for Zeta Tau Alpha, Delta Zeta and Chi Omega are also available in Canyon. The three groups work closely with active units on the campus of West Texas State University throughout the year.

Various needlework and bridge groups also occupy a part of the fall club season for many of Canyon's women.

ZETA EPSILON chapter of Delta Kappa Gamma Society International was entertained Saturday morning with a coffee at the home of Mrs. Charles Harter, center. Pictured were Melba Brown, Mary Ruthe Carter, Martha Hardin, Juanice Settle and Maxine Sloneker.

MISS CAROLYN WIECK

Olton Church Scene Of Vows

Mr. and Mrs. Billy Roy Smith will make their home in Canyon following their recent marriage at the First Methodist Church of Olton.

Graduates of Olton High School, the bride is attending West Texas State University and is employed with the history department here. The bridegroom is also a student at WTSU.

The bride is the daughter of Mr. and Mrs. Bill Collins of Olton and parents of the bridegroom are Mr. and Mrs. W. B. Smith, Jr., also of Olton. Rev. Tommy Nelson, pastor, officiated at the exchange of double ring vows.

The church was decorated with wicker baskets of silver wedding dahlia and greenery with candelabra featuring white candles and greenery. Nuptial selections were presented by Mrs. Harold Dean Carson, organist, and Mrs. Danny Smith, soloist.

Given in marriage by her father, the bride wore a white formal length imported silk and peau de sole gown featuring alencon lace and seed pearls on the fitted basque bodice front. The three-quarter sleeves featured trumpet flares which were edged in scalloped lace. The controlled A-line skirt has a detachable train fastened at the waist with a bow designed in panels and appliqued with lace. A bouffant veil of English silk illusion was held to a coil of lace and seed pearls. She carried an orchid surrounded with white rosebuds atop a white Bible.

Bridal attendants were Sherrie Tannahill of Friona, maid of honor; Mrs. Robert Bonner of Amarillo and Charolett Wil-

liams of Anton, bridesmaids; Lisa Collins of Olton and Cinda Stephenson of Idalou, junior bridesmaids; Nelda Sue Collins of Abilene, flower girl; and Carolyn Collins of Abilene and Laura Stephenson of Idalou, candlelighters.

Best man was Mike Hipp of Olton. Groomsmen were Robert Bonner of Amarillo, Danny and Steve Collins of Olton, and Mark Stephenson of Idalou. Ushers were Ronnie Redinger and Gary Turner of Olton, Tommy Hall of Pampa and Burny Hooper of Canyon.

The marriage ceremony was concluded with a reception in Fellowship Hall of the church. The couple took a wedding trip to Santa Fe, New Mexico and will make their home in Canyon after September 6.

Miss Wieck Will Wed Kirkland

Mr. and Mrs. John Wieck of Umbarger announce the engagement and approaching marriage of their daughter, Carolyn, to Sam Kirkland.

Parents of the prospective bridegroom are Mr. and Mrs. George Kirkland of Lamesa. He is a former student at West Texas State University and the bride-elect is a graduate of Canyon High School.

Vows are planned for October 4 at St. Mary's Catholic Church in Umbarger.

MRS. C. N. TIPPERY and daughter, JoElyn, share recipe favorites for Christmas Trees, Graham Nut Muffins and All-in-One Hamburger Casserole with our readers this week.

COOK OF THE WEEK
Shares Family Favorites

BY LORENA MILLER

Homemaker of the week, Mrs. C. N. Tippery shares three favorite family recipes with our readers this week including a Christmas Tree dessert for parties, an All-in-One Hamburger Casserole, and Graham Nut Muffins.

Mrs. Tippery, the former Jean McAtee, came to Canyon at the age of 15. Her mother, Mrs. W. H. McAtee, continues to live here. Mrs. Tippery also has some brothers, Lloyd "Happy" McAtee and Don McAtee, who live in Canyon along with a sister, Mrs. Ruth Chandler. She has another brother, Earl McAtee, who lives in Pando.

The McAtee family owned and operated the first self-service laundry in Canyon.

Mrs. Tippery and her husband were married in 1942. He was a native of Nebraska and his mother, Mrs. W. E. Ball, still lives in Nebraska. His sister, Mrs. Vern McGee, resides in Fort Dodge, Iowa.

Employed at the junior high school cafeteria, Mrs. Tippery says that her favorite hobbies have been her three daughters and "sewing for them".

Her husband is a pipe fitter at Pan Tex, a position he has held for 15 years. His hobby is collecting rocks and has assembled his collection into a rock garden.

The Tippery family has membership at the Assembly of God church where she serves as choir director.

The couple's daughters include Sally, 22, who is a beautician in Amarillo. She graduated from Canyon High School and Amarillo College of Hairdressing.

Jeannita, 18, is employed as a nurses' aid at LaCasa Canyon Convalescent Home and JoElyn is a fifth grade student at Rex Reeves Elementary School. JoElyn is in the choir.

Open House
For Whites
Is Sunday

An open house honoring Mr. and Mrs. Ernest White of Happy on their golden wedding anniversary will be held Sunday from 2-5 p.m. in their home at Happy. The Whites were married September 25, 1917 in Canyon and have farmed and lived near Happy for the duration of their 50 years of marriage.

Honoring the couple will be their children, Mr. and Mrs. Jacob V. Huber of Amarillo, Mr. and Mrs. J. Mack White of Canyon and Mr. and Mrs. Eugene Littlefield of Arlington.

Friends and relatives have been invited to attend the occasion.

Friendship
Club Meets

Mrs. Allen Winters was hostess for a meeting of the Friendship Club last week.

Members answered roll call with "my vacation" and an article on heart disease was given by Mrs. Flynn Winters. Mrs. G. A. Colling gave a report on the names of states. Next meeting was set for September 21 at 2:30 in the Tony Simon home.

Refreshments were served to Mesdames G. A. Colling, Flynn Winters, Charlie Winters, Tony Simon, Elmer Winters, Bobby Winters, Leonard Winters, John Winters, Allen Winters and a guest, Mrs. Les Raymond of Plunketville, Oklahoma.

and a member of the Girl Scouts.

Her recipes include:

CHRISTMAS TREES

6 oz. lime Jello
3 1/2 cups hot water
2 cups fruit cocktail, drained
8 (6 oz. size) cone shaped paper cups

Dissolve gelatin in hot water and chill until syrupy. Place paper cups in glasses and add 1/4 cup cocktail to each cup. Add 1/2 cup of the chilled gelatin and mix to distribute fruit. Chill overnight.

Unmold by clipping tips of cones to break suction and dip in warm water. Invert on plate and decorate with base garland of whipped topping. Garnish with bits of red and green cherries, colored candy balls or candied fruit. Yield 8 trees.

Excellent for use as easy holiday dessert.

ALL IN ONE HAMBURGER
CASSEROLE1 cup packaged pre-cooked rice
3 Tbsp. flour
1 tsp. chili powder
1 1/2 tsp. salt
1/4 tsp. pepper
2 Tbsp. butter or margarine
1 lb. ground beef
2 Tbsp. onion, finely chopped
1 (No. 2) can tomatoes1 (No. 2) can whole kernel corn
Grease two-quart casserole. Measure rice and spread in even layer on bottom. Mix flour, chili powder, salt and pepper and sprinkle about 1/3 of mixture over rice. Dot with 1/2 Tbsp. butter.

Mix ground beef and onion and spread over rice. Repeat flour mixture and butter as above. Make a layer of the tomatoes including the liquid. Repeat flour mixture and butter. Spread corn on top and dot with remaining butter. Cover and bake in moderate 350 degree oven.

GRAHAM NUT MUFFINS

3/4 cup flour
1 cup water
4 tsp. baking powder
1 tsp. salt
1/3 cup brown sugar
1 cup milk
1 cup unsifted graham flour
1 egg
3 Tbsp. melted butter
1 1/2 cups chopped nuts.
Mix and sift flour, baking powder, sugar and salt. Mix with graham flour and add nuts. Add milk and egg. Beat well. Add melted butter and pour in hot buttered muffin pans. Bake 15-20 minutes at 400 degrees.

AAUW Tea Is Sunday

American Association of University Women will open the fall season Sunday with a tea from 3-5 p.m. in the formal lounge of the Fine Arts Building at West Texas State University. The AAUW social committee

will hostess the occasion which is open to all local women interested in the group. A major rule of membership is that eligible women must have completed a four-year college course.

Gardeners
Meet Set

Canyon Garden Club members will meet tonight, Thursday, at the cabin of Mr. and Mrs. Bill Money, east of the City Club.

Mrs. I. D. Acord of Amarillo will show slides of various kinds of birds of the area at the meeting which begins at 7:30 p.m. Assisting the hostess will be Mrs. D. R. Weaver.

Had a party? Or giving one? Tell The Canyon News about it. Telephone OL5-2141, or stop by the News office on the west side of the square.

University Study Club Has Luncheon

"It's A Small World" was introduced as the theme for the 1967-68 club year theme for the University Study Club of Canyon at a luncheon Friday in the home of Mrs. Nolon Henson.

Mrs. James Murphy White, president, was in charge of the program which included a look at the new year and its programs. The group also discussed final plans for the annual "Tour of Homes" which will be held October 1. Home Tour tickets were issued to members and are available at \$1.

Decorating Discussed At HD Meet

"Colors In Interior Decorating" was the subject for a program given by Mrs. Becky Hall, home demonstration agent, at a recent meeting of the West-side Home Demonstration Club.

Mrs. Buford Sparks, president, was hostess for the meeting which was held at the Farm Bureau Building. Members answered roll call with "my favorite color combination".

During the business session, Mrs. Ed Bourn was elected as president. The officers will be installed in January. Also elected were Mrs. Paul Glover, vice president; Mrs. Fred Olson, secretary-treasurer; and Mrs. Lewis Tucek, council delegate.

HD Club Has Meet

The club's next meeting will be on selecting furniture. It will be held September 20 at the Farm Bureau Building.

Present were Mesdames Dick Barrett, Ed Bourn, Mattie Bourn, R. A. Burrus, Paul Cornett, Paul Glover, Lewis Tucek, Buford Sparks, Lewis Harvey, R. O. McKay, Fred Olson, Fred Richard and Ralph Ruthart.

Jaycee-Ettes Have Coffee

Canyon Jaycee-Ettes were entertained early Monday morning with a "come-as-you-are" coffee in the home of Mrs. Weyman Brown, president.

Attending were Mesdames Guy Hamblen, Allen Parson, Don Fatout, Charles Marshall, Meade Michael, J. W. Sims, Jim Scott, Carl Miller and the hostess.

Refreshments of coffee and sweet rolls were served at the occasion.

CLUB CALENDAR

Sunnyhill HD Has Program

Sunnyhill Home Demonstration Club was entertained recently in the St. Elliott home at Happy with a program on "Color, The Home" by Mrs. Becky Hall, county home demonstration agent.

Mrs. Elliott, club president, was in charge of the business session as new officers were elected and communications were read. Plans were discussed for the next meeting and the president reminded

members that annual reports were due at the upcoming meeting.

Refreshments were served by the co-hostess, Jo Ellen Harvey, to a guest, Joyce Wheat, and members Camella Greenfield, Joy Bryan, Jo hand, Irene Hardawar, Bessie McGehee, Mary Jane Miller, Geneva McNeill, Leona Henry, Judy Shipman, Maurine Allison, and Wil-la Elliott.

Happy Club Opens Year

Woman's Study Club of Happy met recently at Fellowship Hall of the First Baptist Church for an opening session with Mrs. Copus Boyd, president, in charge.

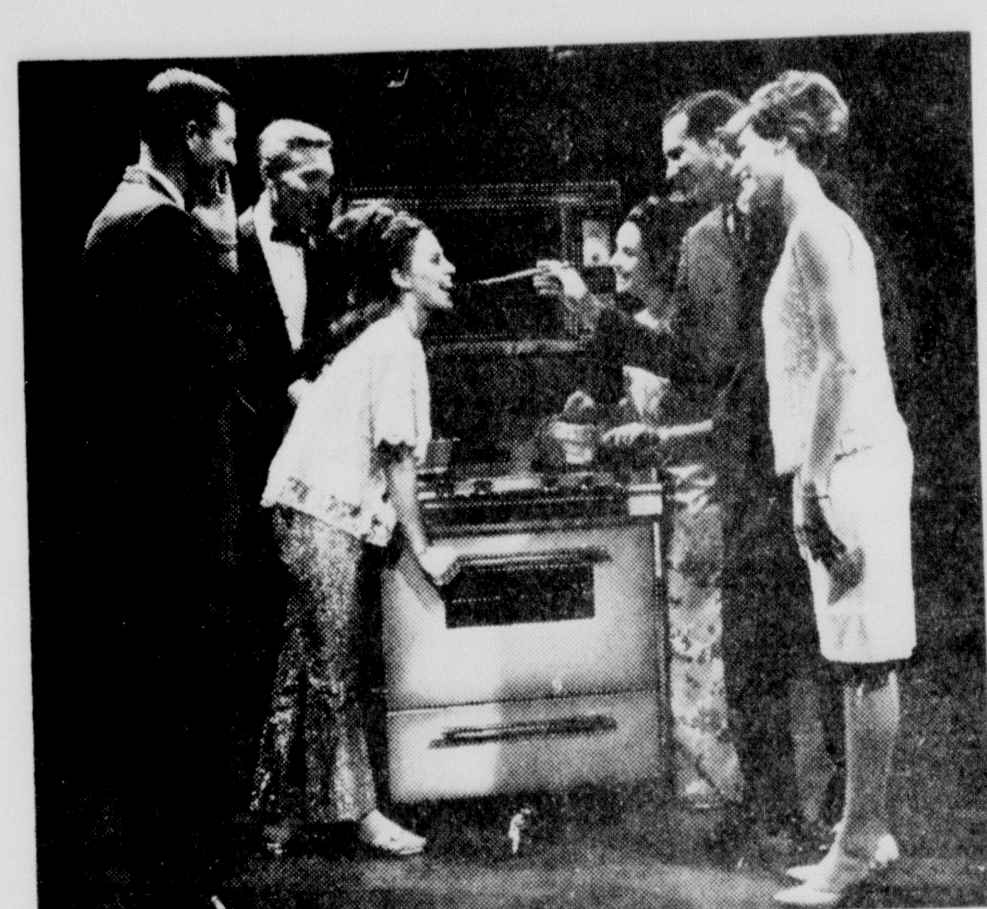

Tables were decorated with the president's colors of blue and white and artificial daisies, the president's flower. The president opened the program with a reading of "A Motto". Invocation was given by Mrs. R. W. Johnston.

Program chairman, Mrs. Dick Railsback, introduced Cathy LaRoe who gave impressions of "Minnie Pearl".

The group sang the "Federation Song" which was accompanied by Mrs. C. W. Vernon. The club collect was led by Mrs. Willard Middleton.

The yearbook committee was hostess for the opening luncheon. Included on the committee were Mesdames Dick Railsback, Copus Boyd, Hobart McManigal and R. S. Francy.

"The Art of Living" was introduced as the theme for the club year at the event. Attending were Mesdames Willard Middleton, Tolly Gurley, Ernest White, C. W. Vernon, Doug Lawyer, Clayton Devin, Mary Clark, L. E. Talbert, E. E. Sims, D. L. Allison, R. W. Johnston, Virgil Toles, Cone Johnson, Bobby Odom, Reid McDonald, S. G. Elliott, James Merrell, H. F. Walters, G. L. Robinson and guest, Cathy LaRoe.

COOK UP A PARTY!

And what a party it's going to be with a new gas range to help. You can create all kinds of festive recipes. With a gas range you have unlimited temperature control, not just a few fixed dial settings. You adjust your gas range to the perfect temperature for the most delicate recipes. And when a quick temperature change is required, it's easy.

with instant on - instant off control. No hang-over heat. A gas range lets you broil with the oven door closed. Inside, grease splatters and smoke are consumed by the gas flame. No mess, no over-heated kitchen. Your friends will notice! Delicious foods always leave a good impression. So, how about it. Cook up a party with clean, economical gas.

Now nature improves on nature to take the guesswork out of buying beef.

ProTen* beef is tender—no matter which cut you buy!

Now, something wonderful has happened to beef. There's a brand new brand of beef that means tenderness every time ...ProTen Beef! You can now shop the meat counter and be sure—no matter which cut you buy!

What is ProTen Beef?

The new found tenderness in ProTen Beef is directly related to delicious tropical fruits, such as pineapple, papaya, and figs. Nature's original tenderizing agents, already present in beef, are supplemented by pure food protein derivatives of some of these fruits. Minute quantities are used to create new tenderness never before possible. This process is so natural it assures full beef flavor and nutrition as well as added tenderness.

ProTen Beef chuck is broiling tender!

That's right. Chuck roast can now be broiled as well as braised. Can now be oven-roasted just like standing rib roast or can be cut into steaks and broiled! Think of all the exciting possibilities this opens up for beef cookery. For example, try the recipe on this page for delicious Beef Kabobs. Kabobs made with chuck that's broiling tender because it's ProTen Beef chuck.

Calorie counting?

Many ProTen cuts are leaner!

If you're cutting down on calories, look for the lean broiling steaks that require no additional fat for cooking. Or try the tender heart-of-lean ProTen Beef roasts that assure you of more protein per slice.

Flavor and quality assured!

You can be assured of delicious flavor in every tender forkful of ProTen Beef. We use only carefully selected, grain-fed beef of high quality. ProTen Beef is approved by the Department of Agriculture. Tested, too, by homemakers all over America with overwhelming approval. But the proof is in the eating. It's tender and juicy ... the way your family likes it best.

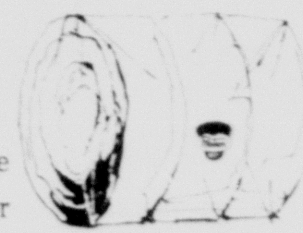

And the cooking is easy!

You don't have to change your cooking methods with ProTen Beef. When you oven-roast, use a meat thermometer and follow the guide for rare, medium or well-done ... just as you always have. If you cook by the clock, there's a ProTen Beef recipe folder with easy time charts included. You'll find it at the store where you buy ProTen Beef.

Like your pot roast braised the usual, moist way? Fine, you'll find ProTen Beef is delicious any way you cook it.

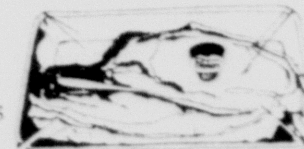

ProTen Beef boneless pot roast!

There's no bone, no waste in this cut ... just tender heart-of-lean beef. And this pot roast now oven-roasts in an open pan ... makes a great roast for the rotisserie, too. Is it tender? Every bite!

ProTen Beef chuck steaks

These lean, luscious steaks broil juicy and tender, tender, tender. And they taste and slice like luxury steaks.

ProTen Beef boneless chuck cubes

Yes, it's broiling tender. This means tender enough for quick marinated kabobs and other gourmet dishes that you used to make with sirloin.

ProTen BEEF KABOBS

1 pound ProTen Beef Chuck, cut into 1½ inch cubes, ¼ cup salad oil, ¼ cup catsup, 2 tablespoons tarragon vinegar, ½ teaspoon salt, dash of pepper, 1 clove garlic, sliced. Place beef cubes in a bowl. Blend remaining ingredients for a marinade and pour over meat. Allow to stand about 4 hours in the refrigerator. Place cubes on metal skewers. Broil 3 inches from heat in pre-heated broiler about 10 to 15 minutes. Baste cubes with marinade before serving. Yield: 3 servings. For 2 to 4 pounds of meat double the recipe for the marinade.

Best news yet for your budget!

Now that you are able to broil cuts that used to be somewhat less than tender, you can serve them as steaks ... or use them in fancy gourmet dishes.

ProTen Beef rolled brisket

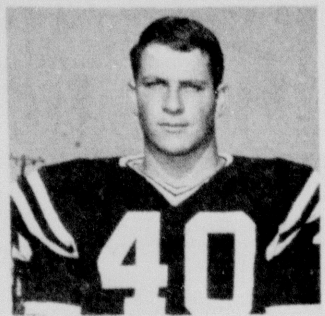

Remember how you used to simmer brisket for hours? Now it's another wonderful roast for the oven or rotisserie. And now you get brisket tenderness with unmatched flavor and juiciness.

All
ProTen* Beef
is U.S. Government
Inspected and Approved.

STOP THAT BLACKHAWK! Eagle defensemen Teddy Walker (44) and Tom Gibson (55) continue to bring down Phillips' Jackie McClain (20) after a short gain in Canyon's 15-0 loss to the Blackhawks in Phillips' Friday night. Helping up to help for the Eagles are Dwayne Gerber (33) and Phil Swartzell (45).

Blackhawks Humiliate Eagle Eleven 65 To 0

BY JIM LAM

The game-headed Phillips Blackhawks, coached for nine touchdowns after a slow start, to crush the Canyon Eagles 65-0 in Phillips' Friday night in the football season opener for both schools.

Canyon named Phillips as even better throughout most of the first quarter, but halfback Warren broke the scoring ice with 2-13 to go in the initial period, and from that point the Blackhawks scored almost at will as seven different players ran up touchdowns and the Hawks cruised to 403 yards of offense.

Warren called three scores on runs of one, 14 and 45 yards and led all runners with 107 yards on 13 carries, but was by no means a one-man team. Halfback Gabe Cooks topped off 48 yards on 11 carries, and halfback Jackie McClain ran missed the century mark with 84 yards on 13 tries.

Offensively, Canyon rushed for 74 yards, passed for 14 by hitting three of 13 attempts, for a total offense of 111 and six first downs. Phillips boasted 403 yards on the ground, completed one of five passes for 18 yards for a total offense of 409 yards and 10 first downs. Three of their scores were runs of 47 yards or more.

The Eagles, apparently overlooked by Larry Luck ever since the start of fall practice, were dealt yet more blows when they lost the services of quarterback Phil Swartzell due to a first half rib injury, and end Larry Thompson suffered an ankle injury.

Obviously little optimism can be found in such a lopsided defeat, but there were encouraging spots for Canyon. Most encouraging of all was the inspired play of Bob Wood, who received Dwayne's permission to play only the last before the game. Tommy Tucker and Gary Schrie had their standout moments in the defensive line. Phillips Coach James Harris had compliments for Swartzell and tackle Ronnie Russell after the game.

Wood, who played very well in the Eagle secondary, was thrust into the quarterback slot when Swartzell was hurt and operated courageously although he had not worn a football uniform in two weeks and had not worked at quarterback at all this year. He was forced to play with a painful calcium deposit in his throwing arm.

The Eagles have had injury problems almost to the point

of becoming a tradition in the past few years, and this season appears to be no exception. Coach Jim Greenwood has had to play musical chairs with his lineup to put a fairly healthy team on the field. The Eagles had their lineup fairly well established for Phillips during last week's practices, but even those improvisations had to be suddenly scratched. Gary Heister, a sophomore, was slated to start at an end, but was unable to shake of an injury in time and the job was turned over to Jerry Thompson. That in the afternoon of the game, it was found that Thompson was ineligible under interscholastic League age requirements. This meant that Scott Calton, Freshman, a back, would have to be thrust into service at a new position on offense, and halfback David Thompson found himself playing Thompson's defensive end.

Canyon's longest drive came right at the game's end, when safety Tom Gibson took over the signal calling and had driven the Eagles 50 yards to the Blackhawks 15 when the gut sounded. The big play was a 25-yard pass to Tommy Swartzell, who made a diving catch.

"It was just one of those games where everything seemed to go right for us and nothing would go right for them," summed up the Blackhawks' Harris. Harris's finger for points may have cost him dearly. Leading 65-0 with only 1:25 left to play, he put his starters back into the game for the kickoff to Canyon, only to see his pinned backer cut down from the side to sustain possible turn alignments. If that is indeed the case, Swartzell will be out for the year, but the actual extent of his injury is not yet fully known.

Gibson's one 25-yard contribution gave him the top passing yardage on his team for the night. Halfback Thompson led the Eagle ground game with 35 yards on 11 carries, averaging 3.2 yards. The other halfback, Scott Gary Gilbert, averaged barely over 14 inches a carry on five tries. Fullback Dwayne Gerber had the best average of 3.5 with 19 yards on five carries. His 15-yard run in the fourth period was the Eagles' longest ground play. Sophomore Ronnie Heister got off some good boots, but saw one kick go for eight yards and another for minus one, while one was blocked to set up the first Phillips score. It was that kind of night, and it was a long night for Canyon.

Mr. and Mrs. Dave Ford, visiting with Mr. and Mrs. Tom, Dean, and J. V. Rouse. Mrs. Ford recently were Mr. and Mrs. Ernest Threlk of Harlingen in Oklahoma, Arkansas, Texas, New Mexico, and Kansas.

TACT Chapter Honors New WT Teachers

Approximately 185 guests were registered at a lawn party reception Saturday evening by the West Texas State University chapter of the Texas Association of College Teachers.

The event was staged in the backyard at the Ples Harper home from 7-9 p.m. Decorations featured Japanese lanterns in a summer theme.

New teachers at the University were special guests for the occasion along with Dr. Cranell Tolliver, current state president of TACT, and Charles Wright, past president for the local chapter.

Ocie Chism, current TACT president at WT, will be assisted this year by Hollis Cook, vice president; Allene Stovall, secretary; treasurer Travis McBride; Frank Daugherty; and Mary L. Burke, executive committee.

Had a party? Or giving one? Tell The Canyon News about it. Telephone OL-5-1141, or stop by the News office on the west side of the square.

USDA Cards Distributed

Postmaster Lee Lee Mattern, this week announced that rural mail carriers will begin distributing 1967 acreage survey cards to farmers in their routes about Sept. 14.

The Post Office Department assigns the US Department of Agriculture in making this survey each year. Mattern said. These reports, directed from

farmers, are the basis for official estimates of Texas acreage of all crops harvested in 1967.

Mattern urged each patron receiving a card to fill it out and return it to his mailbox.

Rural mail carriers working on this project are Gerald Hines, Route 1, and O. B. Heston, Route 2.

DR. AND MRS. ROBERT SAWYELL are shown here at a lawn party reception given Saturday night for new West Texas faculty members. Dr. Sawyell is the new head of the WT Geography Department.

TWO REPRESENTATIVES of the Texas Industrial Commission were here the latter part of last week to give Canyon some pointers on attracting industry. From left are Joe Gidden, head of the Canyon Chamber of Commerce industrial committee; Jim Heath, industrial development consultant for the West Texas area with TIC; and Bill Davis, TIC industrial development consultant for South Texas.

SCS Manager At Ceremony

John O'Conner, Soil Conservation Service manager here, has returned from Knox City where he attended dedication ceremonies for an SCS plant materials center. Speaker for the public ceremony was Donald A. Williams, SCS administrator from Washington, D. C. The center, which serves Texas, Oklahoma and adjoining states, finds, evaluates and puts into use new plants to solve both farm and non-farm conservation problems. About 850 selections of grasses, forbs and shrubs are being evaluated at the center.

News Briefs

Private Jack P. Meacham, 22, son of Mr. and Mrs. Ralph W. Meacham, 1103 Fifth St., Canyon, Tex., completed eight weeks of training in air defense artillery at the Army Air Defense School, Ft. Bliss, Tex., Aug. 17. He was trained in firing and maintaining air defense missiles. Instruction included tactics of air defense weapons systems, function of nuclear warheads, electronics and missile repair. Present air defense missiles include the Nike and Hawk systems. Hawk missiles are on station in Vietnam.

MR. AND MRS. ED DITTBERNER and Terry of White Deer and Mrs. W. R. Franklin of Canyon were week end guests in the Phillip Dittberner home in Las Cruces, New Mexico recently. Mrs. Phillip Dittberner is the former Carolyn Franklin of Canyon. She is a granddaughter of Mrs. W. R. Franklin and is a registered nurse at the Memorial General Hospital in Las Cruces. The group went shopping in Juarez, Mexico during their visit.

TIC Agent Wagon Wheel Is Canyon 4-H Elects Slate Visitor

Tentative plans were laid last week for an industry seminar for Canyon some time early next year. Here to discuss methods for attracting industry to Canyon was Jim Heath, industrial development consultant for the West Texas area. Heath is employed by the Texas Industrial Commission. He was accompanied by Bill Davis, industrial development consultant for the South Texas area. Heath told the Canyon industrial committee that Canyon Chamber of Commerce brochures are very good and that many of them have been distributed to prospects. Joe Gidden, head of the committee, said five packets of information have been sent recently to industrial prospects. He said Canyon needs to get some industrial sites set up and that there is a need to build up the industrial fund. Already \$40,000 has been pledged to the Canyon industrial fund. Heath advised that an industrial team should be formed to contact and even visit prospects. "Prospects are not going to knock on your door," he declared. "Towns all over the Panhandle are tuning up and looking for industry. A more sophisticated digging for prospects is needed." "You can get out and dig them up," he went on. "Use your imagination and ingenuity. It's going to have to come from the local level." Heath said every means should be used to get Canyon people to call Gidden when they have leads for new industries for Canyon.

Joe Smith was elected president of the Wagon Wheel 4-H Club at a meeting Tuesday. Other officers elected were Jody Donnell, vice president; D'Aun Revel, secretary; Sue Kirby, reporter; Mary Cummins, county council delegate; Cheryl Sykes and Ivey Dugan, recreation leaders; and Mrs. Roger Dugan, adult leader. A report on the 4-H county camp was given by Sue Kirby and Alan Donnell discussed the club supper. Attending were Ricky Bauer, Sue Kirby, Joe Smith, D'Aun Revel, Resa Revel, Cheryl Sykes, Ivey and Alan Dugan, Jody and Allen Donnell, Jan Williams and Mary Cummins. Had a party? Or giving one? Tell The Canyon News about it. Telephone OL5-2141, or stop by the News office on the west side of the square.

Pioneer Couple Spent Early Days In Canyon

BY TROY MARTIN
The J. H. Stephensons of Happy are a couple of Randall County's earliest pioneers. Mrs. Stephenson came to Canyon in 1890 when she was 7 years old. Her husband was 15 years old when he came to the county in 1894.
Mrs. Stephenson was Ona Long, daughter of Mr. and Mrs. George Long. Her family came

to the area from Melissa, Tex. Stephenson was a stepson of C. P. Money. The family bought the section where Canyon City Club is now located. He remembers that the family came on a train.

"We starved out in about three years and went back to Denton," he recalls. Then his family returned in 1898. Mrs. Stephenson remembers

vividly her arrival in the Panhandle. Her father met the train and took them home on a load of lumber. He used the lumber on a house he was building on what is now the Hereford highway.

"The ground was covered with snow," she remembers. "We six kids rode back in the wagon."

Mrs. Stephenson went to school here and then taught in Canyon schools from 1904 until 1907. Clarence Thompson was one of her students. She attended college at White-wright, Clarendon and Denton before entering the teaching profession.

Mr. Stephenson has some fond memories of the old Money home place. Fishing was good in the creek and there were an abundance of wild grapes and plums along the creek bank. "There were some big bass in that creek," Mr. Stephenson recalls.

Mr. Stephenson is 88 years old and his wife is 84.

One of Mrs. Stephenson's most vivid memories is of an early-day new year party at the home of the Hoffmans about 15 miles from Canyon.

Some 60 young people congregated at the Hoffman home for the party. A blizzard rolled in and Mrs. Stephenson recalls that it was six days before she finally got in.

The Hoffmans had to ration food. The girls slept in family beds but the boys took turns sleeping on makeshift beds.

She stayed at the Hoffmans' two days and then she and some others made it to the L. C. Lair home. Mrs. Stephenson's sister, Bertie, went to the Bill Campbell home.

Mrs. Stephenson's father was a cowman and trader. Mrs. Stephenson was one of 10 children. Counting stepbrothers and sisters, there were 10 in Mr. Stephenson's family.

The Stephensons have been married 60 years. They were married May 8, 1907 at Cordell, Okla.

Mr. Stephenson went to work for Fulton Lumber Company here about 1907 and worked for that firm here until he was transferred to Plainview.

Mr. Stephenson and his brother, Wade, went into lumber business for themselves at Happy in 1915 and operated a lumber yard there until they sold out in 1942.

The Stephensons had three children. A son, Harold, died about three years ago. A daughter, Mrs. Frances Hudson, lives on a farm at Happy and another daughter, Mrs. Helen Spear, lives in Amarillo.

The Stephensons have two grandsons, Don and Bill Stephenson. Don and his wife have three sons and live in Boulder, Colo. Bill and his wife have a daughter and a son and live in Duluth, Minn.

The Stephensons are members of Tulsa First Christian Church.

MR. AND MRS. J. H. STEPHENSON...They are Randall County pioneers.

Fairview Breezes

By Mrs. J. W. Wesley

The Miller family reunion was held recently at Lake Brownwood. Those attending from the Happy area were Frank and Priestly Rogers, Mr. and Mrs. J. W. Wesley and Mrs. Edna Wilson.

Mr. and Mrs. Rafor Shipman and children, Jannis, Emil Ross and Pam, attended the Shipman family reunion at Seymour. Others attending were Mr. and Mrs. H. H. Shipman, Mr. and Mrs. Holle Shipman, Sheilah and Tommy.

Mrs. Butch Parker and daughter, Denette, are vacationing in Arizona with her husband's parents.

School activities began at Happy Public Schools recently.

Mr. and Mrs. Woodrow Wesley have been vacationing in Missouri at the home of her brother, Mr. and Mrs. Lacy Boid.

Visitors recently in the Woodrow Wesley home were her brother, Phil of Louisiana and his two daughters from Albuquerque, New Mexico.

Mrs. G. E. Wesley baked a cake for their 54th wedding anniversary and had several friends in to share it Sunday afternoon.

Bernice Wesley underwent surgery in St. Anthony's Hospital in Amarillo recently.

News Brief

MR. AND MRS. H. M. STOKES of Canyon attended the recent Stokes family reunion at Hobart Street Park in Pampa.

Approximately 100 were registered for the occasion. C. H. Stokes, 84, of Pampa was the oldest to attend. The youngest in attendance was Larry King of Dimmitt and Mr. and Mrs. Cecil McNabb of San Bernardino, California travelled the farthest to attend.

Mrs. G. E. Wesley accompanied Edan Wilson to church on Sunday.

Mrs. Kate Folk and Mrs. Edna Wilson visited with Bernice Wesley at St. Anthony's Hospital in Amarillo recently.

Pauline Wesley, Gladis Haley and Evelyn Shipman worked at Ceta Glen Church camp last week end.

Mr. and Mrs. E. W. Schaefer and Mr. and Mrs. Rafor Shipman were in Palo Duro Canyon recently for the musical show "TEXAS".

Rafor Shipman visited with J. W. Wesley Friday morning.

Evelyn Shipman and daughter, Jannis, were in Amarillo recently shopping for a bridesmaid's dress to wear in the wedding of her cousin, Shelah Shipman, September 28.

The former Beatrice Stephens is visiting her mother, Mrs. Fannie Stephens.

Lizzie Wesley and Edna Wilson visited with G. E. Wesley Wednesday.

Mr. and Mrs. J. W. Wesley visited Saturday with Troye Langston and Jimmy.

Jerry Bob Langston is working parttime at Nokolis Manor and at Omar's Cafe in Tulsa.

Robert Langston reports 5 inches of rain on his farm near Nazareth and no hail.

Several local people attended the funeral for Fay Walberg at Clovis, New Mexico recently. She will be remembered in the Happy vicinity as Fay Steen.

Mr. and Mrs. Arlen Wesley, Kyle Rany and Lydia Ann, of Lubbock visited with his grandparents, Mr. and Mrs. J. W. Wesley.

The J. W. Wesleys visited Saturday evening with Mr. and

Prayer Week Is Underway

Week of Prayer for State Missions at the First Baptist Church is underway this week with a goal of \$650 set.

Services will be held today and Friday at 9:30 a.m.

"This Is My Hand..Encouraging" will be the topic of study

today, Thursday, with Mrs. Grace Knighton, Mrs. Glenna Wilson and Mrs. Mae Johnson in charge.

Friday's subject will be "This Is My Hand..Providing". Mrs. S. L. Terry will be in charge of the program.

ZEKE FROST of Happy puts the stop to Turkey quarterback Russell Barnhill in the Cowboys 22-8 opening victory. Frost was a thorn in the side of the Turks all night, rushing for 172 yards and defensively making 11 unassisted tackles from his cornerback position.

Cowpokes Swamp Turkey

The Happy Cowboys, under new Head Coach Sam Mayo, kicked the 1967 season off to a successful start with a 22-8 roping of the Turkey Turkeys.

Led by swift junior halfback Zeke Frost, the Cowboys moved from a slender 8-0 lead at halftime to their final 14-point victory margin. Frost scored two touchdowns and stampeded for 172 yards on 18 rushes.

Frost put Happy in front in the first quarter when left tackle Charles House sprang him on a 79-yard gallop to paydirt. Don Maynard passed to Jesse Ramos for the conversion.

In the third period Ramos used a trap block by guard Neil McCarley and jumped into the clear for a 47-yard touchdown. Turkey came right back and

pushed over a score when quarterback Russell Barnhill circled left end and went into the end zone from 19 steps out. Halfback Charles Robinson ran for two.

Frost put the game out of the Turks' reach in the final quarter when he cleared the line of scrimmage on Ricky McPherson's good block, broke three tackles, and darted over the goal to complete a sensational 29-yard run. Dean Bryan crashed over center for the final two points behind the blocking of Jackie Schiller, Curtis Fowler, and McCarley.

Frost's 172 yards were most of Happy's 288 ground yardage, with Ramos lugging for 60 and Bryan for 48 to supply most of the rest. Maynard clicked on five of eight aeriels to boast

the Poke total offense to 326. Defensively, the Cowboys were paced by end Joe Bill Dempsey, linebackers Bryan and Fowler, and Frost, who racked up 11 unassisted tackles from his left cornerback spot.

Ramos handled the punting duties capably by averaging 36 yards on four boots.

Friday the Cowboys travel to Bovina for an 8 p.m. clash with the Mustangs, 13-8 winners over Cooper last week. Fullback Carl Harris and quarterback Stuart McMeans give Bovina a power running threat from the straight "T". The Mustangs were pushed to the limit by Cooper, having to stop three Pirate drives inside the five yard line in the fourth quarter to escape with the win.

Registration Begins For WTSU Students

Sophomores and upperclassmen at West Texas State University will begin registration for the 1967 fall semester today.

Evening-only students will register Saturday and classes will officially begin Monday.

Fall semester enrollment at WTSU is expected to be about 7,000, representing a ten per cent increase over last fall's record 6,157 total day and evening enrollment.

Orientation sessions, counseling and freshmen registration were held earlier this week.

Evening-only students who do not register on Saturday may enroll before 4 p.m. any day before Sept. 30, last day possible for enrollment.

No registration for evening will be held during the evening, but changes in programs by evening students will be allowed at 6:30 p.m. Monday.

Sophomores, upperclassmen, and graduates will register Thursday and Friday by the following alphabetical schedule:

Thursday:
8-8:30--G
8:30-9--F
9-9:30--E
9:30-10--D
10-10:30--C

10:30-11--B
11-11:30--A
Lunch
1-1:30--A
1:30-2--X through Z
2-2:30--W
2:30-3--U through V
3-3:30--T
3:30-4--S
Friday:
8-8:30--S
8:30-9--R
9-9:30--P through Q
9:30-10--N through O
10-10:30--M
10:30-11--Mc
11-11:30--L
Lunch
1-1:30--K
1:30-2--I through J
2-2:30--H
2:30-3--G
Schedule Saturday, Sept. 16, for evening only registration is listed below:

8-8:30--A
8:30-9--B
9-9:30--C through D
9:30-10--E through G
10-10:30--H through J
10:30-11--K through Mc
11-11:30--M through O
11:30-12--P through R
Lunch
1-1:30--S through V
1:30-2--W through Z

LOUIS K. BOLTON

Bolton's 'Thumb' Gives Garden Aid

Louis K. Bolton has a "green thumb".

His "thumb" has given a bountiful harvest this season and his home at 1403 Eighth Avenue is in bloom from front to back with all varieties of blooming flowers in all colors and sizes.

Bolton, who has been retired about four years, calls gardening his hobby and pastime.... except for occasional afternoons of fishing. He was formerly a butcher in Hereford.

Bolton's yard is fenced off with a wide expanse of canas which are "taller than a man's head" and in bloom.

Hidden from the street is a large selection of dahlias in all colors, a special row of over-size cockscomb, and sprinklings of rosebushes which are still in bloom.

Interspersed with his floral growth are date and persimmon trees. The backyard is also

laden with fruits in season as it includes cherry, peach, apricot, pear, plum and other trees along with an arbor style patio which is covered with grape vines.

Bolton said that he "collects plants and flower seeds everywhere". Included among his collection are about 35 rose bushes, an olympia lily, snowball bushes, outdoor geraniums, petunias, Joseph's coat, pampas grass and many others.

One of Bolton's special prizes is a "magic lily" which comes peeping out of the ground early in the morning and has shot up six or so inches by afternoon and is then ready to bloom.

Bolton said that his flowers depend on rainfall and some watering but he doesn't do any special fertilizing.

His sister, Vera Beasley, who lives next door attributes his gardening success to his "thumb".

Jones Have Infant Girl

Mr. and Mrs. James Lynn Jones announce the August 29 birth of a daughter, Julie Ann. The infant weighed 6 pounds 10 ounces at birth. She was born at Neblett Memorial Hospital in Canyon.

The couple also has a son, Robert Lynn, 2.

Grandparents are Mr. and Mrs. C. T. Benson and Mr. and Mrs. James L. Jones, all of Seminole.

News Briefs

RECENT VISITORS in the H. M. Stokes home were a grandson, Mr. and Mrs. Charles Edwards of Denton; W. M. Stokes and John of El Paso; and Mrs. K. M. Wallace of Springfield, Missouri.

Mrs. V. B. Hubbard visited recently in Red River and Taos, New Mexico. She was accompanied by Mr. and Mrs. Rusty Richards of Amarillo. They visited with the E. T. Cummings while there.

Local Officers Get Certificates

A total of 13 law enforcement officers from Canyon and Randall County were among 35 receiving certificates for the completion of criminal law training at a locally-sponsored police academy last week.

Canyon Police officers receiving certificates were Calvin Costley, Dean Butcher, Skip Kendrick, Jerry Collins, Roy Adams and Charles Triplett.

Recil Johnson and Reedy McDonald, Randall County deputies, received certificates as did Albert Potts, Larry Sexton, Bill Childers, Jimmy Cleveland and Bobby Treadwell, all officers with the West Texas State University Security Department.

The school, which was open to

any local or area law enforcement officers, will be continued with various courses offered throughout the year.

Other peace officers receiving certificates were from Amarillo, Tulia, Plainview, Dimmitt, Hereford and Abilene.
